## A Total Disability Claim of \$1,650 Paid to a Man who was Afterward Cured.

The Monitor, a newspaper published at Mexicord, Gott. Canada, first discovered this case two years ago, and published it at length, which new seems, ewing to the curs of it, to be a miracle. The facts were so remarkable that many people doubted the truth of them. They said: "It is too remarkable; it cannot possibly be true; the paper is mistaken, and the man, although he may think thuself cured, will soon is large into his former condition," etc., etc. The accordance of its report called in question, the Mexicor determined to find out definitely whether the facts were as stated and whether the fa

we completely verified, the cure is permanent, and they puttinh a face smalls of the case given by the familiar Methad Life Association of that disable the slightest shadow of a doubt, in view of this tension prior by them to Mr. Petch.

The first account stated that the patient for five veries, that there was such a total fack of feeling in his limbs and body, that a form the said "You see these hands—the skin is now natural and elastic. Once they were hard and elastic. Once they were hard and without sensation. You could not saik or help himself at all; for two years he was not dressed; furthermore that he was allowed, was for that reason the fact of my body. Perhaps you have that he was bloaded, was for that reason the rest of my body. Perhaps you have careful examination of his condition by observed that I have now even cassed to his clothes on. The paralysis was so complete us to asset the face and prevented him from opening his mouth sufficiently likely no doubt as to my care being permanent.
