#### GREAT AND LITTLE.

The American people are a great people, but with their great qualities they have a number of little qualities. They are a meanly jealous people, they are a meanly gossiping people. Their jealousy induces them to tear each other with the meanest of gossip, if there is the slightest chance to start the gossiping tongue. Every community feels its own weakness in bars and levers to endeavor to push dition they pass the winter. In the that particuler, and sometimes the point is made mat village communi ties are the most noted in the little qualities, and little meanness. That is only seemingly it no. The whole nation is just as weak in its jealour as the rear, assisting with bars, all three brood is repeated; the flies from this ies and gossiping meanness as the people of the smallest town. And tional scale over the management of fore the men knew what was coming affairs in the Navy and Army. Sump the whole mass of rocks went thuncharged with being jealous of Schley, Mr. Brower with them in their deand of covetousness in the claim for prize money. He is talked about as Mr. Snyder and Mr. Madden threw tion of the wheat from the fly is: credit for his achievements. Shaf. Alger, are talked about as having done things unfairly against General Miles the commander of the armies Miles the commander of the armies coals are down, when he saw the commander of the armies down carrying Mr. the flies will lay their eggs in this early of the United States. It is gossiped Browers' body with them The rocks wheat and as they die after egg laying, of the United States. It is gossifed that the orders between General Miles and the War Department under Secretary Alger were interfered with, somewhere, either in the War with the men got to about September 20th; by that time allow the secretary Alger were somewhere be. Department office or somewhere be-tween Washington and General Miles headquarters. It is gossiped Miles headquarters. It is gossiped flat, something baving been run when the wheat comes up. that the most of the sickness in the through his body from side to side army, is owing to the mismanage. and his right arm was nearly cut off ment and incompetency of some one. The officers in civil office are charged Brower was married to a daughter with incompeter cy. and the army of S. S. Strong, of this place, and management is charged with jeal leaves a wife and one child to mourn ousy, incompetency, and a lot of other kindred bad weeknesses, and other kindred bad weeknesses, and family of ten brothers and sisters, family of ten brothers and sisters, to get out of all the littleness and jealousy and incompetency and gos sips, an investigation is vehemently member of the Eaptist church, and sylvania for many years with success. demanded. An investigation seems to be a convenient scapegoat on day school. which to upload, and get out of the rut of gossiping questions. The Maine was investigated, and now the many and navy, and the war depart ment must be investigated and a scape goat found, but who is to be the scapegoat. Great and little are the American people. Great in their schievements little in their gossips, little in their goals, and liztle in their goals, little in their goals, l envious of. # CLEARING SALE OF FURNITURE.

The season for Furniture is about to a close and we find we must have more room for our large fall stock which will arrive in due time. Therefore we are compelled to close out the remainder of our spring stock. All our former prices are marked down 20 per cent. Now is your opportunity to buy furniture at a sacrifice. Don't miss this chance. 115 and 117 Bridge Street.
