Letter from a Woman

Dr. David Kennedy's Favorite Remedy frequently cures several members of a family. While it is considered by many to be a Kidney and Bladder Medicine, it is just as certain a cure Dyspepsia, Constipation, Rheumatism, Scrofula and Eczema. This is because it first puts the Kidneys in a healthy condition, so they can sift all impurities from the blood. Healthy blood practically means a completely healthy body. Hudson, and suffered took Dr. David Kennedy's Favorite Remedy, and is now well and strong. Although seventy years of age, he is as hearty as a man many years younger. I was so troubled with Dyspepsia that it was painful for me to walk. My food did me no good, as my stomach could not digest it. Somebody recommended Favorite Remedy to me, and after taking two bottles of it I was completely cured, and am feeling splendid now. We both attribute our good health to Favorite Remedy."
