Associate Justice Henry Warren Williams, of the Supreme Court, died of heart disease, while sitting in his chair in his room in the Continental Hotel, in Philadelphia, at 6 o'clock on the 25th inst. He was born in Susquehanna county in 1830. His death will cause the election of a democrat next fall as the law provides that when two candidates for the Supreme Court bench are before the people, one shall be a democrat, and Judge Sterrett's time expires and that will place two candidates for the judgeship in the election caucus.
Philadelphia Times, Franklin, Pa., January 25.—Two Venango county girls displayed a heroism to-day in an effort to save their father's life that has not often been equaled. William Briton, a prominent farmer of Canal township, was attacked by a bull on his farm and severely gored.
His daughters heard his cries for help and hurried to his aid. As they passed the woodpile they picked up axes and with these attacked the beast with so much determination that they killed it, chopping its body nearly to pieces in their efforts to save their father. They did stop the vicious animal before it had gored the life out of their father, but not before he was so seriously injured that he cannot recover.
Lewistown Gazette, January 26.—A bold attempt was made early on Sunday morning to rob the bank in Reedsville, this county. Four men broke open the railroad tool chest below the station and procuring an iron bar proceeded to the station, broke in and took therefrom a lamp, then made their way to the Wagner carriage shops, forced an entrance and securing two chisels, brace and bit and sledge, they went to the bank and having got inside three of them broke open the cash drawers but got nothing for their pains. No signs are visible that they tried the vault. They were seen by Robert Lashell, living opposite, who does not sleep very soundly, and rose to see what time it was and then looked out of his front window, when his attention was attracted to a man standing at a tree in front of his residence and afterwards discovered three others going towards the bank.
After they had finished the job, the robbers went down to the station, wrenched off the lock that held the hand car and rode to Lewistown, alighting and throwing the car off the track at the oil tanks at the edge of town. No clue.
Some months ago, J. E. McCahan, made a narrow escape from being run over by the cars. On that occasion a fast running train tipped his wagon, a half inch closer that time and a different statement relative to the affair would have been necessary. The Democrat and Register of last week's issue gives the following account of a narrow escape that he recently made. On Saturday, January 21st, J. E. McCahan, of Fernmeadow township, made one of the most narrow escapes of his life. He started across the railroad in Patterson, with a two horse team, when, just as he got fairly on the track, the front wheel of his wagon came loose and dropped off, while at same time Train No. 29 dashed across the curve above the station, leaving some monster on the track for another victim. Mr. McCahan did not wait for advice but promptly applied the "gad" to the team which had stopped and the wagon was dragged from the track, while a track hand seized the wheel and threw it aside. One moment's hesitation on the part of the driver or team and another would have been added to the list of fatalities. This is the second time Mr. McCahan has narrowly escaped death at that crossing.
Bloomfield Times, January 27.—About four o'clock Tuesday morning the most daring robbery ever known in this community, was committed at the home of Mrs. Maria Witherow, in Centre township, on the old Wise property, by three masked burglars.
Mrs. Witherow and Miss Ella Black were the only occupants of the house, which stands in a deep hollow off the road, some distance from any other habitation. The burglars broke into the house through a window and went direct to the bed room occupied by the two ladies. The door, which was locked, was battered down, and the two ladies were confronted by the burglars, who were armed with shot guns and compelled Mrs. Witherow to hand over \$40, all the money she had in the house. The men then ransacked the house from garret to cellar, but in vain. After they were satisfied nothing more could be procured they departed.
The women were almost paralyzed with fear, but as soon as possible gave the alarm, but the robbers had made good their escape. No clue has been discovered as to the identity of the burglars, but every possible effort should be made to bring them to justice.
Mrs. Witherow is the aged widow of the late John Witherow. For some years past she had been living with her sister, Mrs. Elizabeth Wise, who died recently. It is reported that when the two aged ladies lived together, they kept quite a sum of money about the house. On Monday Mrs. Witherow placed one thousand dollars in the Bloomfield National Bank. She was fortunate for her that she did or the burglars would have had a rich haul.

Letter from a Woman
Dr. David Kennedy's Favorite Remedy frequently cures several members of a family. While it is considered by many to be a Kidney and Bladder Medicine, it is just as certain to cure Dyspepsia, Constipation, Rheumatism, Sciatica and Eczema. This is because it first puts the Kidneys in a healthy condition, so they can sift all impurities from the blood. Healthy blood practically means a completely healthy body.
Here is a letter from Mrs. Capt. FERRIS RACK, of N. Y.: "My husband was troubled with his kidneys, fearfully with shooting pains through his back. He Dr. David Kennedy's Favorite Remedy, and is now well and strong. Although seventy years of age, he is as hearty as a man many years younger. I was so troubled with Dyspepsia that it was painful for me to walk. My food did me no good, as my stomach could not digest it. Somebody recommended Favorite Remedy to me, and after taking two bottles of it I was completely cured, and am feeling splendid now. We both attribute our good health to Favorite Remedy."
It is prescribed with unfailing success for Nervous Troubles, and for the Liver and Blood it is a Specific. It has cured many that were beyond the aid of other medicine. Ask your druggist for it, and insist upon getting it. Don't take a substitute. It will cost you \$1.00 for a regular full-sized bottle.
Sample Bottle Free
If you want to try Favorite Remedy before buying, send your full post-office address to the Dr. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mention this paper. They will send you a free trial bottle, all charges prepaid. This genuine offer is made to prove to everybody what a wonderful medicine it is.

DANGER IN CALCIUM CARBIDE.

Superintendent Murray of the Bureau of Combustibles, has made regulations governing the transportation, storage and sale of calcium carbide, which the firemen declare to be a source of danger in a burning building, because when water reaches it acetylene gas is given off. A number of stores keep it for use in bicycle lamps. Hereafter, in transit or on storage, it must be inclosed in hermetically sealed iron receptacles marked "Dangerous, if not kept dry." No package may contain more than 100 pounds. It must be stored in isolated buildings that are fireproof and waterproof. No artificial light or heat will be permitted in the building where it is stored. Not more than twenty pounds, in bulk or in cartridges, may be kept in any store or factory, and this must be in a fireproof safe or vault above the street grade and it must be kept six inches above the floor.

The manufacturer, transportation, storage, sale or use of liquefied acetylene is absolutely prohibited within the limits of this city. —N. Y. Sun.

KNOW HIM IN HEAVEN.

The author of "Pages from a Private Dairy" says: "A lady sends me an amusing anecdote of a friend who bewailed to her the loss of a somewhat ill-bred but extremely wealthy neighbor, who had been very liberal in his help, to her country charities. 'Mr. X. is dead,' said she. 'He was so good and kind, and helpful to me in all sorts of ways. He was so vulgar, poor, dear fellow, we could not know him in London; but we shall meet in Heaven.'"
