THE MINIMUM SCHOOL TERM.

When the minimum school term bill was on final passage in the Senate March 28th, Senator Hertzler voiced the sense of the larger percentage of his constituents by voting against the bill.

MR. HERTZLER. Mr. President, I am opposed to the passage of this bill for the reason that the law today enables any school district in the Commonwealth to have seven months school, if they so desire, and the conditions are such that they are able to do so.

Letter from a Woman

Dr. David Kennedy's Favorite Remedy frequently cures several members of a family. While it is considered by many to be a Kidney and Bladder Medicine, it is just as certain to cure Dyspepsia, Constipation, Rheumatism, Sciatica and Eczema.

Here is a letter from Mrs. Capt. FARRA RACE, of N. Y.: "My husband was troubled with his kidneys, fearfully with shooting pains through his back. He took Dr. David Kennedy's Favorite Remedy, and it was now well and strong. Although seventy years of age, he is as hearty as a man many years younger. I was so troubled with Dyspepsia that it was painful for me to walk. My food did me no good, as my stomach could not digest it. Somebody recommended Favorite Remedy to me, and after taking two bottles of it I was completely cured, and am feeling splendid now. We both attribute our good health to Favorite Remedy."

It is prescribed with unflinching success for Nerve Troubles, and for the Liver and Blood it is a specific. It has cured many that were beyond the aid of other medicine. Ask your druggist for it, and insist upon getting it. Don't take a substitute. It will cost you \$1.00 for a regular full-sized bottle.

Sample Bottle Free. If you want to try Favorite Remedy before buying, send your full postal address to the Dr. David Kennedy Corporation, Rondout, N. Y., and mention this paper. They will send you a free trial bottle, all charges prepaid. This genuine offer is made to prove to everybody that a wonderful medicine it is.
