## Superintendent Convention.

The Court House was crowded on Tuesday afternoon upon the occasion of the convention of School Directors convened for the purpose of electing a County Superintendent.

The Convention was called to order by the retiring Superintendent Deany Marshall, who in a few well chosen words announced that the gathering of the Directors was in pursuance of the law and was for the purpose of electing a person to act as County Superintendent for the term of three years.

H. S. Scholl nominated Dr. I. N. Grubb for President and B. F. Burchfield moved the nominations close. The Dr. was then elected by acclamation, and upon taking the chair thanked the convention for the honor conferred upon him.

Dr. S. A. Sulouff and F. M. M. Pennell were chosen as Secretaries and tellers.

The salary of the Superintendent was fixed by the Convention at the minimum allowed by the law that being \$1,000.00 as the bill making the minimum salary \$1,500.00 as passed by the late Legislature had not been approved by the Governor.

O. B. Sulouff of Fayette; S. W. McCutcheon of Turbitt; H. C. Klinger of Susquehanna; Menno Esh of Spruce Hill and Oden C. Gortner were placed in nomination as candidates for the office of Superintendent.

No speeches were made and the names were simply announced.

The roll was called and 97 Directors answered the roll call.

The credentials of the candidates were called for and the chair announced that they were right and proper.

Without any other preliminaries the balloting was commenced.

Upon the first ballot the vote was as follows: Mr. Gortner 42 votes; Mr. Esh 21 votes; Mr. Klinger 24 votes; Mr. Sulouff 7 votes and Mr. McCutcheon 3 votes.

The chair then announced that ninety seven votes had been cast for Superintendent. That 49 votes were necessary to elect; that no one had received the necessary number of votes. Therefore the convention would proceed to the second ballot.

Mr. S. W. McCutcheon arose and in a few words thanked the Directors who had voted for him on the first ballot, and withdrew his name from the convention.

Second ballot Mr. Gortner had 48 votes; Mr. Esh 17 votes; Mr. Klinger 28 votes and Mr. Sulouff 6 votes.

Third ballot Mr. Gortner had 51 votes; Mr. Esh 14 votes; Mr. Klinger 26 votes and Mr. Sulouff 6 votes.

Mr. Gortner having received more than a majority of all votes cast was declared to be the Superintendent elected.

Immediately upon the announcement of the result the audience started to leave the room and the convention was adjourned sine die.

It was one of the shortest conventions on record, being in session but 45 minutes.

## The Kidneys and Blood

If you want to be well, see to it that your Kidneys and Blood are in a healthy condition. It is an easy matter to learn what state your Kidneys are in. Place some of your urine in a bottle or tumbler, and leave it stand one day and night. A sediment at the bottom shows that you have a dangerous Kidney disease. Pains in the small of the back indicate the same thing. So does a desire to pass water often, particularly at night, and a scalding pain in urinating is still another certain sign.

Dr. David Kennedy's Favorite Remedy is what you need. It will cure you surely if you do not delay too long in taking it. Kidney diseases are dangerous, and should not be neglected a single moment.

Read what P. H. Kirt, of Union, N. Y., a prominent member of the G. A. R., says:—"I was troubled with my Kidneys and Urinary Organs and suffered great annoyance day and night, but since using Dr. David Kennedy's Favorite Remedy I have greatly improved, and that dreadful burning sensation has entirely gone. I had on my lip what was called a pipe cancer, which spread most across my lip, and was exceedingly painful; now that is almost well. I also had severe heart trouble, so that it was difficult to work; that is a great deal better. I have gained nine pounds since I commenced taking the Favorite Remedy; am greatly benefited in every way, and cannot praise it too much."

Favorite Remedy is a specific for Kidney, Liver and Urinary troubles. In Rheumatism, Neuralgia, Dyspepsia, and Skin and Blood Diseases, it has never failed where the directions were followed. It is also a specific for the troubles peculiar to females. All druggists sell it at \$1.00 a bottle.

Sample Bottle Free! If you will send your full postoffice address to the Dr. David Kennedy, Correspondent, Roadout, N. Y., and mention this paper, we will forward you, prepaid, a free sample bottle of the Favorite Remedy, together with full directions for its use. You can depend upon this offer being genuine, and should write at once for a free trial bottle.
