SWING AROUND THE CIRCLE.

Painful Spectacle Which the General Brought to a Close by Forcing the Tumplinous Crowd to Listen to

the President.

There is nothing in history that corresponds to that wonderful swing of President Johnson from Washington to Chiengo by way of Robin Hood's barn. Mr. Johnson planned the trip with infinite couning. He prided himself on being a commoner, and be believed ministered to him. Shortly after that he understood the people and which was said to have been in his was all that he asked. Give him a possession and which was lost or big crowd, and he was confident that

he could win them over. Yesterday he was quite ill. All of The president started from Washsome of Mr. Johnson's best friends recommended a change of programme. In November of last year the Many believed that the president, seehou e on the farm on which hir ing the mood of the people, would ed down with nine head of horses. | while he was military governor of Patterson, Mr. Comery was once sheriff of Tennessee. I had heard him scold the Schny'kiil county, President of a leading citizens of Nashville as he bank in that county and captain of a would a lot of school children; had seen him, when a mob threatened his life, stride out into the street and march the full length of the city at the head of a procession, carrying the stars and stripes, and I knew that he would relish keenly a scrap with those who
