They assured him his trip should be at their expense. In the brotherly love of his heart he went to Ohio and preached for them and lo behold a meeting was immediately called and he was tendered the charge, but he had not gone there for the purpose of leaving the Mifflintown charge. He went there to fill a coadjutor invitation to preach a sermon or two for a congregation of his own denominational faith.

Letter from a Woman

Dr. David Kennedy's Favorite Remedy frequently cures several members of a family. While it is considered by many to be a Kidney and Bladder Medicine, it is just as certain to cure Dyspepsia, Constipation, Rheumatism, Scrofula and Eczema. This is because it first puts the Kidneys in a healthy condition, so they can sift all impurities from the blood. Healthy blood practically means a completely healthy body.

Here is a letter from Mrs. Capt. FARR RACE, of N. Y.: "My husband was troubled with his kidneys, severely with shooting pains through his back. He took Dr. David Kennedy's Favorite Remedy, and is now well and strong. Although seventy years of age, he is as hearty as a man many years younger. I was so troubled with Dyspepsia that it was painful for me to walk. My food did me no good, as my stomach could not digest it. Somebody recommended Favorite Remedy to me, and after taking two bottles of it I was completely cured. I am feeling splendid, and am feeling splendid now. We both attribute our good health to Favorite Remedy."

It is prescribed with unfailing success for Nerve Troubles, and for the Liver and Blood it is a specific. It has cured many that were beyond the aid of other medicine. Ask your druggist for it, and insist upon getting it. Don't take a substitute. It will cost you \$1.00 for a regular full-sized bottle.

Sample Bottle Free

If you want to try Favorite Kennedy before buying, send your full postal address to the Dr. David Kennedy Corporation, Rondout, N. Y., and mention this paper. They will send you a free trial bottle, all charges prepaid. This genuine offer is made to prove to everybody what a wonderful medicine it is.
