Never was the power in the glance of a woman's eye so well idustrated as when Madame Pianka or Madame Morelli comes upon Pinks or Madame Morelli comes upon the encaged stage with ferocious lions, panthers and jaguars all around her, watchful for an opportunity to rend her in pieces, yet yielding unwilling obedience to her commands and show-ing the mastery of femininity over fespanthers and jaguars all around her, watchful for an opportunity to rend her in pieces, yet yielding unwilling obedience to her commands and showing the mastery of femininity over ferocity. There is something strangely fascinating about these wild beasts trained by human skill and patience to execute such marvelous and surprising feats, scenes that afford the spectators moments of thrilling excitement, in a performance so kaleidoscopic as to make it ever new, it matters not how often seen, and this in a measure accounts for the number of times the same persons find themselver at the Hagenback show. Once seen it seems to cast a spell over the spectators, and they are irresistibly drawn again and again to this arena of most exciting interest.

WE HAVE IT.

The Douglass Shoe is another of their specialities. It talks for itself. We carry twice as many dress overcoats as any other house. We have the largest and best Line of Men's, Boy's and Children's Suits-The very latest out-We are agents for the Sweet Orr Overalls. We buy by the case from Sweet Orr Co, not by the dozen pairs from second hand. We are head quaters for those goods. The other fellow is Hind-quarters. —Selah!

All we ask is a comparison of Our Line, and if the line is not superior in price, in finish, in Quality of Material and in fit, we won't ask you to buy.
We take pleasure in showing our goods, because we have them to show-all
