news a paper can print. Although this is an nent, it contains facts of more vital mportance than anything else in this newspaper.

It tells of a medicine known for over thirty years as Dr. David Kennedy's Favorite Remedy. It is a medicine that purifies the Blood, and restores the Kidneys, Bladder and Urinary Organs to vigor and strength. Its principal ingredient is not alcohol. It does not ruin men's and women's lives by causing intexication and fostering the appetite for strong drink.

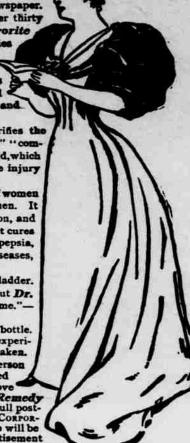

Favorite Remedy cools and purifies the

blood. It is not like the many "bitters," "com pounds" and "tonics," now so widely sold, which heat and inflame the blood, doing more injury than good.

Favorite Remedy cures troubles of women just as certainly as it cures troubles of men. It restores the Liver to a healthy condition, and cures the worst cases of Constipation. It cures Scrofula, Salt Rheum, Rheumatism, Dyspepsia, all Kidney, Bladder and Urinary Diseases, Gravel, Diabetes and Bright's Disease.

"My complaint was Stone in the Bladder. Physicians said my case was hopeless, but Dr. Kennedy's Favorite Remedy cured me."-D. H. Hoag, Lebanon Springs, N. Y. Sold in all drug stores for \$1.00 a bottle. One teaspoonful is a dose, and you will experience relief long before first bottle is taken.
