### A Word of Warning

The trouble with thousands of women is not "female weakness," although many physicians suppose it is. The real trouble lies in the Kidneys, Liver and Bladder. Doctors often fail to effect a cure, simply because they don't give the right remedy. Women as well as men can ascertain for themselves if their Kidneys are diseased.

Simply fill a bottle or glass tumbler with urine and let it stand a day and a night. If there is a sediment at the bottom, something is wrong with the Kidneys. If there is a desire to urinate often—if there is a pain in the small of the back—if the urine stains linen—look out! The Kidneys are diseased.

Ladies can take Dr. David Kennedy's Favorite Remedy with perfect assurance of relief. It will cure them of Kidney, Liver and Bladder disorders just as certainly as it cures men.

Mrs. G. W. DAVENPORT, of West Troy, N. Y., says: "I was troubled with my Kidneys, and suffered intense pain in my back and loins. The wife of Dr. Robinson, pastor of the First Avenue Methodist Church, recommended Dr. David Kennedy's Favorite Remedy. I got some, and have used it ever since, with the result that I am greatly benefited. All pains have left me, and I am like another person."

Dr. David Kennedy's Favorite Remedy is a perfect blood and nerve medicine. It restores the liver to a healthy condition and cures the worst cases of constipation. It is a certain cure for all diseases peculiar to females.

#### Sample Bottle Free

Favorite Remedy is such a certain cure that the Dr. David Kennedy Corporation, Rondout, N. Y., will forward, prepaid, a free sample bottle to every sufferer who sends his or her full postoffice address and mentions this paper. The fact that our liberal offer appears in this paper is a guarantee of its genuineness.

All druggists sell Favorite Remedy at \$1.00 a bottle.
