"Wireless telephone and tele graph circuits will span the world Caroline Morre, aged 60 years, fell in the next hundred years. A hashand in the middle of the Atlantic will be able to converse with his wife sitting in her boudoir in Selinsgrove, fell over dead while at Chicago. We will be able to telephone to China, quite as readily Juniata county is not theonly coundas we now talk from New York to nal they will connect with any circuit in their locality without the intervention of a "hello girl."-December Ladies' Home Journal.

> In Fayette City, Pa., they had a sensation last week when William Clark of Elkhorn, returned home last night he found his wife and neighbors mourning over his supposed corpse. A train had killed a man, and the body was identi-

fied as that of Clark. Neighbors went to the Clark place to console the widow and 'wake'' the corpse.

"Now, what's the troublet" Clark asked when he walked in. Some of the neighbors fell over each other to get away from what they thought was a ghost. Clark up all day and night and gave the water a chance to soak into the ground.

SCHOOL REPORT. Report of Happy Hollow School, Fermanagh township, for 3rd month ending Nov. 23, 1900.
