WE TAKE pleasure in calling the attention of our readers to the fact that the popular Dry Goods house of C. F. Sisson & Co., Binghamton, are now receiving an unusually large and complete assortment of new spring goods. Notwithstanding the cry of "hard times," this house informs us that their trade is larger than at any former season. This is easily accounted for by the fact that they always offer the most reliable goods at the same prices that many houses sell a very inferior grade. All the novelties of the season, both of toreign and domestic manufacture, may now be found upon their shelves, and a visit to their store, will conyince anyone that that is the place to trade.
