Work done in black and colored inks. It you think there is any that can beat us, give us a trial, and we will show you what we can do. All kinds of blanks on hand or printed to order.

WE TAKE pleasure in calling the attention of our readers to the fact that the popular Dry Goods house of C. F. Sisson & Co., Binghamton, are now recciving an unusually large and complete assortment of new spring goods. Notwithstanding the cry of "hard times," this house informs us that their trade is larger than at any former season. This is easily accounted for by the fact that they always offer the most reliable goods at the same prices that many houses sell a very, inferior grade. All the novcities of the season, both of foreign and domestic manufacture, may now be found upon their shelves, and a visit to their store, will convince anyone that that is the place to trade.
