June 21, 1876. Many through the country are severely af-

Various remedies are used, but that which is said to give the best satisfaction is Taylor's Cough Syrup or Expectorant. As it is sold on the principle of No Cure, No Pay, it would certainly be well to give it a trial It can be obtained of all the Druggists in Montrose, or of dealers in general throughout the country. > WE TAKE pleasure in calling the attention of our readers to the fact that the popular Dry Goods house of C. F. Sisson & Co., Binghamton, are now receiving an unusually large and complete assortment of new spring goods. Not-withstanding the cry of "hard times," this house informs us that their trade is larger than at any former season. This is easily accounted for by the fact that they always offer the most reliable goods at the same prices that many houses sell a very inferior grade. All the novelties of the season, both of foreign and domestic manufacture, may now be found upon their shelves, and a visit to their store, will conyince anyone that that is the place to trade.
