Many through the country are severely atflicted with a cough and an obstruction of the air passages leading to the lungs. Various remedies are used, but that which is said to give the best satisfaction is Taylor's Cough Syrup or Expectorant. PRINTING. We have just received a very large stock of plain and fancy envelopes, letter and note paper, plain and fancy bill head papers, cards of all sizes and colors, colored poster papers, etc. all of which we can afford to print cheaper than any office in this or neighboring counties, and in as good style. Work done in black and colored inks. If you think there is any that can beat us, give us a trial, and we will show you what we can do. All kinds of blanks on hand or printed to order.

WE TAKE pleasure in calling the attention of our readers to the fact that the popular Dry Goods house of C. F. Sisson & Co., Binghamton, are now receiving an unusually large and complete assortment of new spring goods. Notwithstanding the cry of "hard times," this house informs us that their trade is larger than at any former season. This is easily accounted for by the fact that they always offer the most reliable goods at the same prices that many houses sell a very inferior grade. All the novelties of the season, both of toreign and domestic manufacture, may now be found upon their shelves, and a visit to their store, will conyince anyone that that is the place to trade.

CAMP MEETING. Wyalusing District Camp Meeting will be held, Providence permitting, at Dimock, Susq'a County, Pa., commencing August 23d, 1876, and continuing nine (9) days. The people of the county know the grounds are pleasantly located on the Montrose rail road, at Dimock Depot. The water supply is plentiful and pure. The committee have provided for a good boarding tent to be kept on the ground, and the usual supplies for persons and horses can be ob-

tained at reasonable rates. "Ho! Every one that thirsteth, come ye to the water !"
