BURGLARS AT WORK IN BINGHAMTON! They have been entering houses and knocking down men after dark on the back streets, but at this time of writing the police think they have a clew that may lead to the entire capture of the gang. The firm of Hine & Sholes have been trying to stop this reign of terror by marking all of their summer goods down at cost thereby giving all a chance to get an honest living. A few of those fine parasols and summer silks left. They are offered at less than cost. They also keep on hand the largest and cheapest line of black silks in the city.—Mourning goods of all kinds a specialty. Send for samples. No trouble to show goods. HINE & SHOLES. Binghamton, Aug. 2, 1876.

TO SCHOOL DIRECTORS.—The attention of the members of the several Boards of School Directors, in Susquehanna and adjoining Counties, is invited to the following testimonials, and endorsements by the leading Educators and School Officers of this NORMAL DISTRICT, relative to the

STANDARD CHARACTER AND STERLING MERIT OF SANDERS' UNION READERS, &C., published in an appeal to their patrons, only a short time since, on the occasion of a determined effort, similar to the one now being made in this county, by agents of rival publishers, to displace these books.

The undersigned, residents of the 5th Normal District of Pennsylvania, comprising the counties of Bradford, Lycoming, Potter, Susquehanna, Sullivan, Tioga, and Wyoming, would respectfully represent, that since SANDERS' UNION READERS AND SPELLERS, ROBINSON'S SERIES OF MATHEMATICS, AND SPENCERIAN COPY-BOOKS, have been quite generally introduced into and are now in use as a whole, or in part, in a large majority of the Public Schools of this Normal District, and believing, as we do, that these books are Standard Works of Sterling Merit, and among the very best published; and, seeing no sufficient reason for a change, would earnestly advise any who may be tempted, by interested parties, to displace these books, to exercise great caution, and to be fully satisfied of the superior merit of the books, proposed as substitutes, before subjecting the Patrons to the additional expense of purchasing new books, as well as the schools to the great inconvenience and trouble incident to the introduction or displacement of Text-Books—besides thereby preventing uniformity so nearly attained in this District.

(F. A. Allen), Institute Conductor and former Principal of State Normal School, Mansfield, Pa.

Chas. H. Verrill, Principal of Mansfield State Normal School. A. A. Keeney, Co. Supt. of Bradford Co. Elias Horton, " " Tioga " J. W. Allen, " " Potter " W. C. Tilden, " " Susquehanna " T. F. Gahan, " " Lycoming " Thompson Bodle, " " Wyoming " J. T. Reed, former, " " Lycoming " H. H. Hutton, former Principal Troy Graded School.

H. E. Pitcher, former Principal Towanda Public Schools. A. H. Berlin, former Principal Montrose Graded School.

F. M. Smith, Teacher of Maths., &c., State Normal School, Mansfield. Lemuel Ammerman, Teacher Lang, &c., State Nor. School, Mansfield.

Alonzo Ammerman, Princ. of Com. Dep., State Nor. School, Mansfield.

The County Superintendents above named, with two exceptions, are still acting as such in their respective counties, and have expressed themselves as having uniformly opposed changing the above mentioned books for the reasons stated in their appeal to their patrons.

The Publishers desire to say to any not familiar with these books, that they most cordially invite attention to the following, as among the many points of superiority and excellence: The Paper, Type, Binding, Illustrations, and Mechanical execution.

The Graduation and Progressive Character of the series. The high, unexceptionable moral tone of the selections in each book. The cheapness as compared with other series

in respect to quality, number of pages, quantity of reading matter, &c., &c.

N. B.—Sample copies for examination and comparison will be furnished gratuitously on application to W. B. Deans, Montrose, or the publishers.

IVISON, BLAKEMAN, TAYLOR & Co., 183 & 140 Grand St., New York.

In regard to an exchange of School Readers in this county, at present, I have only to say that I think the wants of the county, in this respect, do not demand a change, in these hard times, for money.

I consider Sanders' Readers among the best published.

CLAIRVOYANT EXAMINATIONS FREE. There is no subject that requires so much study and experience as the treatment of chronic diseases. The astonishing success and remarkable cures performed by Dr. Butterfield, are due to the gift of clairvoyance, to the lifelong study of the constitution of man, and the curing of diseases from natural remedies. Cures the worst forms of Scrofula, Catarrh, Piles, Female Weakness, Asthma, Kidneys or Bladder. Will be at the Caferty House, Binghamton Thursday, and Friday, Aug. 3d and 4th. Dr. Butterfield will be at the celebrated Mineral Springs at Rush, Pa., on a visit, arriving Tuesday evening, Aug. 1st, at 6 o'clock p. m., leaving Wednesday, Aug. 2d, at 4 p. m.

WE TAKE pleasure in calling the attention of our readers to the fact that the popular Dry Goods house of C. F. Sisson & Co., Binghamton, are now receiving an unusually large and complete assortment of new spring goods. Notwithstanding the cry of "hard times," this house informs us that their trade is larger than at any former season. This is easily accounted for by the fact that they always offer the most reliable goods at the same prices that many houses sell a very inferior grade. All the novelties of the season, both of foreign and domestic manufacture, may now be found upon their shelves, and a visit to their store, will convince anyone that that is the place to trade.
