NEIGHBORING COUNTIES.

BRADFORD COUNTY, PA.

The report that a citizen of Towards lost \$800 by betting on election is denied by the Towarda papers.

Henry M. Davison, of Towards township, shot a large white owl recently. This species of owl is very rare in this section of the country: His one measured five feet tour inches

from tip to tip of wings. The house of Mr. Wm. Squires of Herrick township, was totally destroyed by fire on Saturday last. The family were away from home at the time of the fire, and the house with its contents was entirely destroyed. The insurance we did not learn but understand that it was small.-Journal.

The Bradford Argus, of last week, gives the following account of a fatal and deplorable ac cident!: Thursday last, 16th inst., Bela Cogswell and one of his neighbors went out to hunt in the woods. Young Cogswell separated from his tather and the other man. Bela C. heard the report of a gun, and soon after the dog came on their track, howling, and came to them and howled pitifully and turned back. They followed the dog and found the son of Mr. Cogswell dead, the gun having discharged its contents under the chin, passing up through the head. This young man was a merchant at East Spring Hill and was only married last Summer. It is supposed the dog in playing around him, had placed his foot on the hammer of the gun and caused the discharge.

LUZERNE COUNTY, PA.

[From The Scranton Journal.] A son was born to Jack Hayes, of Seranton, on election night, and he named him Tilden

The D., L. & W. R. R. bridge near Nicholson, was burned week before last, was re-built in the brief time of four days and a quarter. The bridge is four hundred and fifty feet long and sixty feet high.

The Lackawanna Valley House was again closed on Friday of last week, by executions against the proprietor, S. V. Derrah. It has this week, however, been re-opened by Mr. Goodenough, a former clerk of the hotel. The Valley House is well located, commodious and well fitted for hotel purposes, and yet it has not thus far seemed to be a profitable invention for a landlord.

The market was flooded with poultry the two cays previous to Thanksgiving, and prices ruled very low. We learn that some farmers late on Wednesday, closed out their chickens at five cents a pound and turkeys at nine cents.

The last boat of the season on the Deleware & Hudson canal left Honesdale on Saturday last. The company have shipped from Honesdale by canal this year 1,005,000 tons of coal, being 418,550 tons less than were shipped in

Another reduction of about ten per cent, was made in the wages of the trackmen and others of the employes of the Deleware and Huson Canal Co. on the 1st of December. The hours Luck-In Middletown, Oct. 8th, 1876, Isaac of labor liave also been reduced, thus bringing the earnings of the men to a mere pittance. The most rigid economy will be necessary on the part of the laboring men throughout the valley this winter to keep want and hunger

from the door. Superintendent Pearce informs us that the announcement in the papers that the Street Railway company have made arrangements to introduce dummy engines on the Providence and Green Ridge lines of street cars is premature, the company not contemplating such a

change at present. A girl named Mary Ferey was shot while

standing by the tence near her uncle's residence at Newton, on Saturday evening last.-The ball entered her stomach, producing a fatal wound. She lingered until Wednesday, when she died. The shot is supposed to have been fired by her cousin, whether accidentally. or not is not known. The matter is to be investigated.

WYOMING COUNTY, PA.

[From the Wyomirg Democrat.] Since the cessation of Centennial travel, rains on the Lehigh Valley Railroad are again running with the accustomed regularity,

Excavations are being made under the Turn pike street of Wall's Hotel for the purpose of enlarging the basement and affording greater saloon accommodations

James Smith, a brakeman on the L. V. railroad, and a resident of Bradford county, was so severely injured by coming in contact with a bridge near White Haven, early one morning week before last, that he died the following day in the Wilkes-Barre hospital.

Last Saturday afternoon Warren Carey canght at Lake Carey ten fine pickerel, one of which measured over eighteen inches and weighed three and a half pounds. Of course they found their way to Uncle Jerry Osterhout's at Lagrange and whoever has broken bread at his hospitable board can easily surmise that the fast was a good one.

Time was when deer have been seen in the streets of Tunkhannock, but we do not know that they ever showed such an utter disregard for the marksmanship of our hunters as is re lated of one which passed through the streets of Clarion, one day last week and escaped into the woods unharmed.

BROOME COUNTY, N. Y.

[From The Democratic Leader] A joint Teachers' Association of the Eastern and Western Commissioner Districts of Broome ic diseases. The astonishing success and recounty will be held on Saturday, Dec. 15, at markable cures performed by Dr. Butterfield, Binghamton.

The dwelling house of Mr. L. Cook, on Glenwood Avenue, near Bigler's switch, west of the worst forms of Scrofula, Catarrh, Piles, Fethis city, was destroyed by fire on Sunday morning about 2 o'clock. Being outside of the city limits the firemen could do nothing, owing to the absence of water. Everything in the house was burned. There was a small insurance on the contents. The origin of the fire is unknown.

By reference to the proceedings of the Board swer before the Governor, why he should not be removed for violating the law and the instructions of the Board in refusingto charge to the respective towns' poor sent to the County Honse, from such towns instead of making them a county charge. The vote was not a party onc.

The "Crocker House" on the canal bank, was re-opened Monday, by Supt. Spaulding. It will be under the charge of Thomas Crocker. otherwise known as "Bay Tom," and weary tramps can there find a shelter and a resting place. The accommodations are not sumptuous, but the lodgers will have a warm place to

sleep in, and that is more than some poor fellows will have this winter. The proprietor of the hotel receives 10 cents for each lodger .-Three were accommodated on Monday night. Applicants for lodging will receive a ticket from Superintendent Spaulding, which they will present to the clerk of the hotel on arriving there.

News was received here on Friday of last week, that Miss Nellie Cary, a daughter of Oliver A. Cary, had committed suicide by drowning herself in the Chemung river, at Corning, where Mr. Cary is now engaged in business. Nellie had a very severe attack of fever some time ago, and had been in a melancholy mood ever since. She was in this city recently, in attendance at the funeral of a niece, and it was noticed that her actions were as you can in New York, Florida, Louisiana, peculiar, so much so, that a letter was sent to the young lady's friends to watch her actions. After the father read the letter he went to the to all. room of his daughter, and found that she had left it. A search was made and the following morning the body was found in the Chemung river. She was engaged to be married to Dr. W. A. Brooks, of this city.
