

THE DEMOCRAT.

MONTROSE, PA., JAN. 3, 1877.

Town, County, and Variety.

—Here we are for '77. —Is one killing time when he sleighs it? —A law of this State requires all persons to be vaccinated. —Another invoice of "beautiful snow" was received last Friday. —The people of Southern California are enjoying green corn, cucumbers and green peas. —Many people stay at home by a warm fire this weather and pray that God will take care of the poor. —The farmers are all growling again. This time it is "winter apples are rotting." They needn't rot. Give them to the poor. —Don't let your horses stand in the cold without a thick blanket for a cover. Such a protection is often worth its weight in gold. —There is time yet to make your friend a New Year's present, and there's nothing better than a year's subscription to the DEMOCRAT. —The American Gleaner says that Andrew Bahner & Co., of New York, are considered unreliable in that city, and all persons are cautioned against consigning butter, or anything, to them. —It is sad to reflect that the young woman who has been working a green bull dog on her Charles Henry's pink slippers this Christmas, may be working a blue basement to his black pants next Christmas. Such is life. —A petition is circulating asking for the punishment by fine and imprisonment of any person who applies the word "centennial" to any entertainment or thing, animate or inanimate. —Exchange. Pass it this way and receive our signature. —S. Cary Ball the defaulting cashier of the Hatboro' Montgomery county bank has returned to the scene of his dishonesty and surrendered himself to the authorities. He was short about \$20,000. Scary Ball is a good name for hip. —Mrs. Mary Cook, a venerable lady, died in Lock Haven, on the 8th inst., at the remarkable age of 99 years, 1 month and 15 days. She was born in Philadelphia, Oct. 23, 1777, and with her parents removed to Northumberland county in 1781. —Wednesday afternoon the Catwases train ran over and killed an old man named Samuel Watkins, of Yorktown, between Bannockville and Tamaqua. Watkins was walking on the track. He only lived a few minutes after being struck. —We learn from the Binghamton Times that Rev. C. S. Alexander, pastor of the M. E. Church at Great Bend, Pa., has been forced to abandon his work for the time being, on account of failing health, and will seek medical aid and rest at the home of his brother, Rev. A. D. Alexander, in Owego. —Our Borough subscribers will find matter of interest to them in our report of the proceedings of the Town Council at its late meeting. With the present prospects for snow the coming winter, there will be no want of good wholesome exercise on the part of property owners. The enforcement of both the Ordinances is important and their publication just now is timely. —The Pottsville Miners' Journal says one evidence of the hard times was the appearance of old silver coin, doubtless from treasured hoards, on Christmas day. One merchant took in on Saturday eleven French five franc pieces, which passed for a dollar each. Some trade dollars were also spent, passing only at par. The Christmas influence, kindly and loving, is forcibly illustrated in this drawing from the old kettle, stockings, clocks and pots, of the long treasured silver. —Samuel Leroy Baker, now stationed over the Catholic church at Great Bend, was ordained to the priesthood at St. Luke's church, in Scranton, on Wednesday last. The ordination sermon was preached by Rev. Mr. Foley, of Patstion. The candidate was presented to the Bishop, Right Rev. De Wolfe Howe, by Rev. H. C. Howard, of Dundaff, and the impressive ceremony was conducted with great solemnity by the Bishop. Rev. Mr. Baker, the newly ordained priest, is from Mount Pleasant, Wayne county. —It seems good to have sleighing again. It reminds one of winters long since passed away when we had sleighing week after week without interruption. It cheers the hearts of lovers, it makes glad the heart of the farmer, and it is supposed to fill the purses of the lively men. The merchant finds no fault with it. The children love it, the boys particularly; and the girls enjoy an occasional ride down hill with great comfort and zest. The sleighing is welcome, and we trust it will remain with us for weeks to come. —At a meeting of the Town Council, Dec. 26, 1876, the High Constable was instructed to see that the following Ordinances of this Borough are strictly observed: 1. That the owners or occupants of any lot situated on any public street within the Borough of Montrose shall be and is hereby required to keep the sidewalks opposite thereto cleared from snow, and in case of default in so doing for twenty-four hours, the Street Commissioner is hereby authorized and required to clear the snow from the said walks and charge the expenses thereof to the lot or lots of said owner or occupants and to render an account thereof to the Borough, and which amounts shall be collected by the Borough, of said owner or occupants before any Justice of the Peace of Susquehanna county as debts of like amount are by law recoverable. 2. That no person or persons shall be allowed to ride upon Hand Sleds or any other conveyance on the sidewalks within the limits of this Borough, under the penalty of a sum not less than fifty cents for the first offence nor exceeding five dollars for each subsequent offence.

—The Exchange Hotel has a new cook from New York. —The Narrow Gauge is having another hard time battling with its natural enemy, snow. —The next mite society of the S. S. B. A. will be held at the house of Horace Brewster on this (Wednesday) evening. All are invited. —Regular meeting of No. 3 Fire Company on Friday evening. Annual meeting, for the election of officers, on Monday evening, Jan. 8, 1877. —The shortest days having passed, the old saying, "as the days begin to lengthen, the cold will begin to strengthen," seems to have proved true. —Rev. W. L. Thorp spent a portion of last week at Honesdale assisting the pastor of that charge, who is in the midst of a glorious revival of religion. —A happy New Year to all. Make good resolves for 1877, and don't back out before a month has fled. This is good advice, but we don't expect anybody will heed it. —The ladies of Montrose are doing a grand good work among the poor of this vicinity. —"Inasmuch as ye have done it unto the least of these my brethren ye have done it unto me." —A South Bridgewater girl worked the motto, "I need thee every hour," and presented it to her chap. He says he can't help it; it takes him two hours to milk and feed the pigs morning and night, and business has got to be attended to. —While "coasting" is in itself a harmless and exhilarating amusement, the practice of devoting much-traveled thoroughfares to that exercise is attended with much annoyance. —We are glad that the council have at last "sat" upon the subject, and issued an order to have all persons engaged in it arrested. —In these days of fires it is well for every household to be on the lookout for "accidental fires." Carefully examine your stoves, pipes and chimneys, and look well after the ashes. A little precaution of this kind may possibly save you from being cremated some night. —One morning last week the neighbors of Mrs. Annie Fawkes, of Cedarville, Chester county, finding the house closed at a late hour, entered and found the woman dead in bed. Her little child was contentedly playing with the dead mother's hair, ignorant of her great loss. The husband was absent in Philadelphia. —"Let to-morrow take care of to-morrow; Leave things of the future to fate; What's the use to anticipate sorrow? Life's troubles come never too late." —"To hope overmuch is an error, 'Tis one that the wise have preferred; And how often have hearts been in terror Of evils—that never occurred!" —The friends of Mr. and Mrs. Chas. Foster gave them a real surprise, on the occasion of their china wedding, last Wednesday evening. The presents were elegant and appropriate, and we hear the address of Rev. W. C. Tilden, and the remarks of Dr. Chesshire and Rev. Mr. Miller spoken of in the highest terms. —The change which we made in the form and style of THE DEMOCRAT one year ago having been so favorably received by our patrons we have concluded to continue it, but have changed the order of its make-up in a manner which we feel certain will also meet the approval of our readers. Thanking you all for the many pleasant things of the year that is gone, we wish you A HAPPY NEW YEAR. —Mr. Gordon H. Frink, a native of Montrose, but for a long time clerk at the Dwight House, Binghamton, was in town last week visiting among his friends, after which he started for Chicago, at which place he will make his headquarters, as special agent for the Phoenix Mutual Life Insurance Company. His territory will embrace the States of Illinois and Missouri. Mr. Frink has the best wishes of hosts of friends and acquaintances for his welfare and success in his new western home. —Three tramps, giving their names as John Bryant, Thomas Burns and Philip Theeney applied to the Poor commissioners last Friday night for lodging, and were sent to the Exchange Hotel for the same. In the morning they took from the room in which they slept two pairs of pants and a coat, and went their way. Mr. L. M. Baldwin, the clerk, made the discovery, got out a warrant, and had them arrested. They owned the corn, returned the pants and were committed to jail by Constable Howell. The coat could not be found. —BACK NUMBERS WANTED.—In order to complete our files we need several numbers of the DEMOCRAT for which we will pay a satisfactory price. Subscribers or others who have any of the following numbers can mail, or bring them to us and we will either credit the amount to them or remit the money at the rate of five cents per copy, as they may request.—1873, No. 1, Jan. 1.—1874, No. 7, Feb. 13, Nos. 9, 10, 11 and 12, March 4, 11, 18 and 25; Nos. 16 and 17, April 22 and 29; No. 25, June 24; Nos. 1875, Nos. 7 and 8, Feb. 17 and 24; Nos. 9 and 11, March 3 and 17; Nos. 35 and 39, Sept. 1 and 29; No. 40, Oct. 5. —HAWLEY & CRUSER. —JOHN CHASE FOOT.—John Chase Foot, of the firm of Foot & Ellis, died at his house on Washington street, at 4 a. m., Dec. 30th. Mr. Foot was one of our most worthy citizens. Born at New Milford, Pa., of sturdy pioneer stock, on the 28th of March, 1835, he died too soon by a generation of years. He volunteered early in the late war of the Rebellion and was mustered in First Lieutenant of the 50th Regiment, Pennsylvania Volunteer Infantry, on the 9th day of September, 1861, and after the severest service in the malarial region of the Albemarle River, he yielded to the necessity of a broken constitution and was honorably discharged upon surgeon's certificate, February 17, 1863. His death really begins from the date of the campaign of that year, although with the tenacity of the war-worn patriot he survived nearly thirteen years thereafter. Besides hosts of friends, who will miss his cheerful presence, he leaves a wife and three children.—Binghamton Times.

NEIGHBORING COUNTIES.

LUZERNE COUNTY, Pa. Josiah Kennedy, a farmer living in Benton, aged 73, had been some time complaining of a pain in the side, and Tuesday came home from his work with greatly increased pains in that region, but higher up. He lay down upon a lounge, and in a few moments it was discovered that he was dead. The returning board of Reading counts that city in ahead of Scranton in the matter of population. Scranton counters will probably issue a mandamus restricting the board from officially promulgating the count. In the meantime the two cities are actively engaged in securing the prize in population. The Wilkes Barre Coal Exchange, which is composed of representatives of the different companies shipping north on the Lehigh Valley R. R., met on Tuesday at the office of J. H. Swoyer, in that city, to consider the state of trade and attend to other matters with which it has to do. The board regarded the trade as a healthy condition, and it is hoped that the market may be able to take all the coal the railroad company is able to furnish cars for. There were an unusual number of drunken men in the city during Christmas. The hard times appeared not to lessen their allowance of the intoxicating beverage. The money thus spent for drinks in one day, would have bought bread enough for the poor all winter.—Cannot this evil be remedied? Cannot society protect itself from this prevailing curse?—Wilkes Barre Union. Thomas Campbell, who shot Michael M'Nulty on the Fourth of July at Carbondale, has been convicted of murder in the first degree, after two trials. Reese James, aged 16, who fatally stabbed two men at Taylorville, Luzerne county, some months since, has been convicted of murder in the second degree, and sentenced to 19 years and nine months solitary confinement in the penitentiary. WYOMING COUNTY, PA. Luther Welsh, formerly of Nicholson, has been appointed superintendent of the Middle Division of the Missouri, Kansas & Texas R. R. He graduated on the D. L. & W. R. R.—He has filled several places of trust since then, and was at one time superintendent of the Ithaca & Athens R. R. Eli Perkins will lecture in Nicholson, January 15th. The Tunkhannock Republican will hereafter be issued Friday instead of Wednesday as previously. Tunkhannock flourishes without a "colored punson." On Wednesday, the 18th ult., some sneak entered the house of Mr. Jesse Wilson in Tunkhannock by a rear door, after Mr. Wilson had gone to work, and stole about twenty dollars and some jewelry. The thief was probably well acquainted with the house. —MARRIAGES.—BERTHOFF—CRONK—Dec. 28, 1876, by Eld. W. C. Tilden, in Montrose, Mr. Jerome Berthoff and Miss Jennie M. Also the same day, at 7 o'clock, Emmet F., oldest son of Mr. and Mrs. Mead, aged 6 years, 1 month and 13 days. Fare thee well, Arietta, Little Emmet fare thee well; For thou wert too pure and lovely In a world like this to dwell. Our hearts are sad and lone, Yet we never will complain, For we know that what's our loss Is surely their eternal gain. —CARLIN—In Dayton, Nevada, Oct. 9th, 1876, Martin S. Carlin, son of the late Joseph Carlin of Auburn Pa., in the 40th year of his age. F. and A. M. Resolutions. At the regular meeting of Valley Lodge No. 9, F. and A. M. held in their hall November 18th 1876 the following resolutions were adopted. WHEREAS, It has pleased Almighty God to call from this earthly tabernacle to the grand Lodge above our, late beloved and esteemed and respected Brother, Martin S. Carlin who was suddenly and unexpectedly called to answer the sound of the gavel from him who doeth all things for the best; and answer into the summons of that grim monster Death. Resolved: That this community has lost an honest, upright and industrious man, and this Lodge, an earnest, zealous and consistent member. As a man he was quiet and unassuming; held in high esteem by his employers in stations of trust, all of which he fulfilled with honor to them and credit to himself. Resolved: That we extend our heartfelt sympathy to the relatives and friends of our late Brother Martin S. Carlin in their sad bereavement, and loss of their dearest and best friend. May the angel of Light and Truth soothe them in this their sad hour of affliction, tribulation and trial, and comfort them in their distress. Resolved: That the altar and jewels of this Lodge be draped in mourning for the memory of Brother Carlin, for thirty days. Resolved: That a copy of these resolutions be spread on the minutes of this Lodge, and a copy furnished to one of the local papers of the county for publication and a copy be sent to the family relations of our late deceased Brother.
