## THE WEEK.

The Commission, to whom was submitted the three sets of returns from Louisiana, having listened to arguments on the admisibility of evidence, until Thursday, went into secret session, when the following action was had. Mr. Hoar submitted the following:

Ordered, That the evidence be not re-Mr. Abbot offered the following as a

substitute. Resolved, That evidence be received to

show that so much of the act of Louisiana establishing the Returning Board for that State is unconstitutional, and the acts of the said Returning Board are void.

This was rejected by the following vote: Yeas-Messrs. Abbott, Bayard, Clifford, Field, Hunton, Payne and Thurman-7. Nays-Messrs. Bradley, Edmunds, Frelinghuysen, Garfield, Hoar, Miller, Morton and Strong-8

Mr. Abbott offered another substitute, as follows:

Resolved, That evidence will be received to show that the Returning Board of Louisiana at the time of canvassing and compiling the vote of that State at the last election in that State was not legally constituted under the law, establishing it. in this, that it was composed of four per sons of one political party, instead of five persons of different parties.

Rejected by the same vote. Mr. Abbott offered another substitute: Resolved, That the commission will receive testimony on the subject of the frauds alleged in the specification of counsel for the objectors to certificates 1 and 3.

Rejected by the same vote. Mr. Abbott then offered a fourth substitute.

Resolved, That testimony tending to show that the so-called Returning Board of Louisiana had no jurisdiction to canvass the votes for electors for President and Vice President is admissible.

Rejected by the same vote. Mr. Abbot offered a fifth, which was rejected by the same vote, which was as follows:

Resolved. That evidence is admissible; that the statements and affidavits purporting to have been made and forwarded to said Returning Board in pursuance of the provisions of section 26 of the election law of 1872, alleging riot, intimidation and violence at or near certain polls and in certain parishes, were false and fabricated and forged by certain disreputable persons under the direction and knowledge of the said Returning Board; that said Returning Board, knowing the said statements and affidavits to be false and forged, and that none of such statements and affidavits were made in the manner or form, or within the time required by law, did knowingly, wilfully and fraudulently fail and refuse to canyass or compile more than ten thousand votes cast, as is shown by the commiss-

ioners of election. Mr. Hunton offered a sixth substitute

as follows: Resolved, That evidence be received to prove that the votes cast and given at the said election on the 7th of November last, as shown by the return made by the commissioners of election for the said polls and voting places in said State, have never been complied nor canvassed, and that the said Returning Board never even pretended to compile or canvass the returns by said commissioners of election, but that said Returning Board only preiended to canvass the returns made by the State supervisors of registration.

Rejected by the same vote. A seventh substitute was offered by Mr. Bayard, as follows:

Resolved, That no person holding an office of trust or profit under the United States is eligible to be appointed an elector, and that this commission will receive evidence tending to prove said ineligibility as offered by counsel for objectors to certificates Nos. 1 and 3. Rejected by the same vote.

Mr. Justice Field offered the eighth and last substitute, as follows:

Resolved That in the opinion of the commission, evidence is admissible upon the several matters which the counsal for

objectors to Nos. 1 and 3 offered to prove. This was also rejected by the same vote, and the question on the original order submitted by Mr. Hoar came up, viz., That the evidence offered be not received." Mr. Payne moved to strike out the word "not." Rejected by the same vote. The vote on the original order was T then taken, and it was adopted by the T following vote: Yeas-Messre. Bradley, Edmunds, Frelinghuysen, Garfield, Hoar, Miller, Morton and Strong-8. Nays-Messrs. Abbott. Bayard, Clifford, Field, Hunton, Payne and Thurman-7. After the conclusion had been reached by the

#### AUDITORS' REPORT.

We the undersigned Auditors in and for the county of Susquehanna, met, in pursuance of our duties, at the Auditors' Office in Montrose, on Tuesday, the 2d day of January, A. D., 1877, our duties, at the Auditors' Office in Montrose, on Tuesday, the 2d day of January, A. D., 1877, and did audit and adjust and settle the several accounts of the Commissioners and Treasurer of said county as follows, viz: We find, upon a thorough examination, in the hands of Henry C. Tyler, Esq., county Treasurer, Ten Thousand One Hundred and Thirty-Eight Dollars and Fifty. Seven Cents (\$10,138.57) county balance; and upon a thorough investigation of the Commissioners' accounts, we are satisfied that our present board of Commissioners are making every effort in their power to reduce the expenditures of the county. We find that for distributing the election papers, Assessors duplicates and papers, and the registry books and papers for the year 1872 cost the county \$646, while in the year 1876, for distributing the same, cost the county \$197.50; and not with standing the above encouraging facts, we find that many of the Assessors of the and notwithstanding the above encouraging facts, we find that many of the Assessors of the county are charging exorbitant prices for making the assessments; and especially the borough of Montrose. We find also that the charges for county advertising are exorbitant for the times, and would suggest to our Commissioners that they use every means in their power to reduce the same. And while we find the present board of Commissioners have made a large reduction in the salary of their clerk we would recommend a still further reduction if practicable. M. L. CATLIN,

County Auditors. WM. MEEKER, JR.,
