Just after daylight they entertain the workmen in the shops by singing an original song, the chorus of which is, "A man is a fool that will work." The number in the village yesterday was thirty-two by actual count, and there is little prospect of the number diminishing. At daylight very morning the tramps can all be seen hanging about the depot and round-house. Mr. I. A. DR. SCHENCK'S STANDARD REMEDIES. The standard remedies for all diseases of the lung, are Schenck's Pulmonic Syrup, Schenck's Man-drake Pills, and Schenck's Sea Weed Tonics ocra Toffice for three dollars per thousand, and drake Pills, and Schenck's Sea Weed Tonics ocra Toffice for three dollars per thousand, and and if taken before the lungs are destroyed, a other work in proportion. speedy cure is effected.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary diseases.

The Pulmonic Syrup ripens the morbid mateasy expectoration, for when the phlegm or matter is ripe a slight cough will throw it off, the patient has rest and the lungs begin to heal. To enable the pulmonic syrup to do this, Schenck's Mandrake Pills and Schenck's Sea Weed Touic must be freely used to cleanse the stomach and liver, removing all obstructions, relax the gall bladder, the bile starts freely, and the liver is soon relieved.

Schenck's Sea Weed Tonic is a gentle stimulant and alterative; the alkali of which it is composed mixes with the food and prevents • souring. It assists the digestion by toning up the stomach to a healthy condition, so that the food and the Pulmonic Syrup will make good blood; then the lungs heal, and the patient will surely get well if care is taken to prevent fresh cold.

All who wish to consult Dr. Schenck, either personally or by letter, can do so at his principle office, corner of Sixth and Arch Sts., Philadelphia, every Monday.

Schenck's medicines are sold by all druggists throughout the country.
