TROUBLE AT "THE CORNERS."

"Squire Bover hevin gone hentz we hed to elect a Justis to fill his place, and in the Convenshun Deckin Pogran and Abslum Pettus wuz the candidates. Pettus developed a good deal uv strength, but the Deckin havin invited the Convenshun out to take suthin, it turned the scale and he wuz nominat-d. Pettus swore he wood never stand that kind of tactics, and he declared himself an independent candidate, at which we left, for the Dimocrisy uv the Corners are firm believers in the sanctity uv reglar nominashuns.

The Radikels, most niggers, hedid by Pollock and Bigler, met and resolved to make no nominashun, and so the contest wuz between the good old Deckin and this wretched, disorganiz in Pettus, and a very lively canvass it wuz.

The niggers called a meetin, which proceeded in filled us with astonishment. Such a thing had never happened here before, and we all wondered what it meant.

"Uv course this can't be permitted!" said the Deckin.

"Not any," sez I. "It's agin nacher, and must be prevented."

And so on the nite uv the meetin, Issaker, Capt. McPelter, and the rest uv the faithful went to the hall over Pollock's store, where the niggers wuz in session, and, pullin our revolver, advised them to git. The niggers didn't git for up sprung Pettus and about a dozen uv his friends and made sum few remarks.

"These gentleman," sez Pettus, "is citizens uv the Yonited States, and ez sich hev a rite to meet and consult ez to the condshn uv our common country. They are a goin to do it, or you have me to fite ez well ez them. This thing is played out."

I wuz struck dum with astonishment.

"Why, this is revolushen! This is anarky! This is a upturnin and an upheevle! The idee uv a white man and Dimekart a sidin with niggers and Radikels! Pettus, what do you mean? Set down sir! The Dimekratic party holds you to your allegiansse."

"D--n the Dimekratic party," wuz the reply uv this infidle. "I want to be justis and I'm a goin to be! I perpose to beat that old suck-er."

The niggers held their meetin and resolved to cast their ballots for Abslum Pettus, Esq.

"Will they be allowed to vote?" asks the Deckin, his voice quivering with emoshun.

"Never," sez I. "Ef they vote then chaos comes agin."

The electshun was held last Monday. Early in the mornin Pettus and a dozen or two uv renegade Dimokrats, with Pollock and that infamous Joe Bigler, all uv em with revolvers, wuz on hand when the polls wuz opened, with more than a hundred niggers. Instid uv havin Pogran, Bascom and McPelter for the Board, which hev bin the custom for years, they insisted upon bein represented themselves, and wuz they wuz largely in the majority they put a nigger on the Board.

The Dimocrisy rallied, but it wuz evident they wuz demoralized. Pettus talked all day about the rites uv all citizens to vote and ez the nigger had been made citizens he swore they shoold vote, or he'd know the reason why, espeshelly ez they wuz all a votin for him.

And Pollock and Bigler backed him up, and the niggers took heart, hevin support from so many white men, and they come in in droves, and voted ez naterally ez tho they hed bin alluz yooosed to it.

And ez we hed no chance to do the countin by ourselves, owin to that nigger's bein on the Board, with Pettus and Bigler standing right behind him, the onary cuss wuz declared electid, and Deckin Pogran defeated by a large majority.

This is the end uv all things. Pettus hev declared for the Administrashun uv the yooosper Hayes, and hev changed his headquarters to Bascom's store, and there he and his minyuns meet every nite, and exult over his triumph.

But it doesn't end here. Issaker Gavitt kicked a nigger yesterday, and the nigger hauled him up afore Squire Pettus, and that onfeelin man fined Issaker, and when Issaker refoosed to pay the fine on the ground that a court elected by niggers coodent possibly be constabulid, nobow, he chucked him into the calaboose, where he is now angushin, a quarter to prinisple and a want of four dollars and a half!

NO FAITH IN BLUE GLASS.

Old Si and one of his chums met at James' bank corner yesterday morning.

"Where is you bin dis mornin' Peter?"

"I've bin up dar at Marse William's house puttin' in some blue glass in de winders ob de flow' konservatit!"

NEW SPRING

S-T-O-C-K!

O. M. HAWLEY, NEW MILFORD, PA.

Having located in the BRICK STORE formerly occupied by H. & W. T. Dickerman, I would say to my friends and the public generally that I am now receiving direct from New York one of the largest stocks of goods ever offered in this county, (and will be sold at lower prices,) consisting of

DRY GOODS, NOTIONS, HATS, CAPS, BOOTS, SHOES, WALL-PAPER, READY-MADE CLOTHING, Etc.

These goods were bought for cash, with all possible discount off, and are to be sold on the same terms.

SPECIALTY-I have just received a \$4,000.00 SPECIALTY-Bankrupt stock of Clothing, purchased at a nominal price, which SPECIALTY will be sold for about one-half its SPECIALTY-value, (guaranteed to be 25 per cent. lower than the same goods SPECIALTY-can be bought in Binghamton.)

This is not wind, but a fact, and you can be convinced by examining the goods.

MY MOTTO IS READY-PAY!

In looking the matter over I see that the credit system still continues to increase its victims of buyers and sellers, while the ready-pay system is growing in favor. There is no other way for a merchant to sell goods for a small profit than to demand pay when delivered. If there had been no credit system there would be no hard times to complain of. Try it for a year and you will never go backward, but be convinced of its benefit.

I am agent for Mn'e. Demorest's patterns; also, take orders for Haman & Radush's custom shoes. The price tells and everybody tells the price. [Ap. 18, 77.] O. M. HAWLEY.

AN IMPORTANT LOCAL REFORM! Hereafter goods will be sold at

E. P. STAMP'S STORE.

In Montrose, for CASH at CASH PRICES. I will keep good goods and make the prices to suit the closest buyers.

FLOUR.

I have had seven years experience in buying and selling FLOUR so that I know where to buy and what to buy to suit the customers of this vicinity.

I WILL MAKE A SPECIALTY OF WHITE WHEAT FLOUR

and warrant every barrel and sack to suit or refund the money.

CHEWING TOBACCO!

I have recently made arrangements by which I can sell CHEWING TOBACCO by the pound as cheap as you can buy of any wholesale Tobacco House by the barrel. I also keep Chewing Tobacco in 10 lb. cadd'gs for which I will make special prices.

SALT.

I keep on hand a large quantity of SALT and keep under cover, and will sell it as low as possible for this market.

Sugar, Tea, Coffee, Syrup, Soap, Pork, Fish, &c., all at the nimbly six pence prices.

I trust I will receive sufficient patronage from cash buyers to make the cash system a success. Respectfully,

E. P. STAMP
