Valuable testimony from the south WE like, at all times, to give credit when credit is due, and if at the same time we can relieve the distressed, we are doubly gratified; we, therefore give the following voluntary testimony as to the beneficial effects of Wistar's Balsam of Wild to the beneficial enterest of the Columbia South Carolmian, who appears to have obtained great relief by its use—'lld Dominion, Portsmouth, Virginia.

Dr Wistar's Balsam of Wild Cherry. We seldom resert to patent medicines, having a great respect for the skill of the regular profession, but chance threw into our way the above named medicine, immediately after the close of the last session of the Legislature, when our lungs were almost dried up by the highly rarified atmosphere of stove warmed state House. The Balsam immediately relieved us of a most harrassing cough, which threatened our health in a serious degree. We feel that we are indebted to it for some fifteen pounds of animal weight—which addition once felt,

cannot be forgoften.

Ani at Ready pay prices, by Wright & Bennett HAVING determined hereafter to sell goods only for ready pay, we invite the attention of our customers, and of all wishing to buy goods cheap, to our large and excellent stock of merchandise. It is our intention to keep a more extensive and complete assortment than any other store in this vicinity, and to sell goods at lower prices than any one can sell who is doing business on the credit system. We wish it distinctly understood that we can sell cheaper for cash or produce than our neighbors can for cash or produce, as we shall have no expenses for keeping accounts, no expenses for collecting debts, and no bad debts to make up. In addition to the articles usually kept in a country store, we shall keep an assortment of Parlor and Cooking Stoves of the newest and most approved patterns; Stove Pipe and Zinc, Iron and Bedsteads and Chairs, Sole and Upper Leather and Shoe Findings. To the Boot and Shoe trade wé give particular attention, keeping a larger stock on hand than any other store in the country.

Believing that the Ready Pay system is calculated not only to promote our own interests, but to benefit the farmers and mechanics of this country generally, we ask a fair trial from our old custom ers, and solicit the trade of all who are willing to try the plan of paying down.

TO THOSE INTERESTED. All persons indebted to us on notes due, or on Book account, are requested to settle the same immediately, as we are determined to bring all matters of credit to a close at an early date.
