### Village Lots for Sale.

HE subscriber offers lots for sale in the town-ship of Great Bend in the village of Greentille, and directly opposite the village of Great Bend, located on the Depot of the New York and Erie railroad, and the Great Bend and Cochecton Turnpike, in the valley of the Susquehanna river. The railroad crossing the said turnpike, thence run ning in a curved line nearly parallel with the same at the distance of a few hundred feet, with the grounds gradually rising above railroad and turnpike, overlooking the river and the beautiful valey, compared with its healthy climate, renders it most desirable location for building purposes .-The depot ground of the railroad compar being located in the centre of a rich and extensive agrisultural district, surrounding it on every side with its many roads centering in, and all other advantages combined, afford every advantage to a business population.

An Extensive Water Power

can be brought from the Susquehanna river, ad-joining the depot grounds of the said rail road, sufficient for the erection of all manufacturing establishments, or any machinery required. L GREEN. Great Bend, 52yl

TREECICS OF QUACKS. LET EVERTISOUT READ THIS CLARKTULT.—There is a Sarapatrilla for sale in the different fivens called S. P. Townsend's Sarapatrilla. It is advertised as the ORIGI NAL, (IENUNE, and all that. This Townsend is unductor and never was; but was formarily a worker on ralinoids, ca-mals, and the like—yet he assumes the fille of Doctor for the purpose of gaining credit for what he islot. Heigars "he has attended two medical schools, and practiced for filteen years!" Nowthe truth is, he never practiced medicine a day in his life! Such writful, writeled misropresentation looks had to the character and venacity of the medic near the intervent of the near many those statements of him-self or of me. When will medicar to be been and truth-ful in all their dealings and intercourse with their fellow man. He applied to one Ruel Clapp-tojassish him in man-ufacturing his mixture, statung the large sums he would make, as an inducement to embark an the house the possible forms, in order to impress the public; with the belief, that the Old Doctor's Starsaparilla was not the genuine, original Starsaparila, made from the Old Doctor's Original Reca-pie. This S, P. Townsend says I hard sold the use of ny name for star week. I will give him SOU if he will pro-duce one single solitary prool of this. His statements of Thompson, Skillman & Co., are nothing but a tissue of though on the regard to his souring. fernenting com-pound. This is caution the public of a original Reca-proced. This S, P. Townsend's Strasaparila, having on it the Old Doctor's licaston the public, and keep the truth down in regard to his souring. fernenting com-pound. This is the caution the public of a or any and the location the public of a of Arma. Principal Office, 102 Nussent strate, N. Y City. JACOB TOWNSEND.

Old Dr. Jacob Townsend,

THE ORIGINAL DISCOVERER OF THE Genuine Townsend Sarsaparilla. Genutrice is own about 70 years of are, and has long been known as the AUTHOR and DINCOVERER of the GENUINE ORIGINAL & TOWNSEND SARSAPARIALA." Being poor, he was compelied to trait its manufacture, by which means if his been kep out of market, and the sales currendsectibel has horse only who had proved its worth, and known its value. It had reached the care of many, nevertheres, as those persons who had the cars of many, nevertheless, as those persons who have been healed of sore discases, and saved from death, pro-c armed its womerful

HEALING POWER

This GRAND AND UNEQUALLED PREPARATION is

HEALING POWER. This GRAND AND LNEQUALLED PREPARATION is manufactured outled largest scale, and is called for through-obstation of the scale of the scale of the scale of the scale fund incatable of deceneration or decreptation. Unlike young IS P. Townsend's, it improves with age, and never changes but for be better; bocknee it is prepared on scientific principles by a scientific man. The highest knowledge of Clientistry, and the intest follower its prepared on scientific principles by a scientific man. The highest knowledge of Clientistry, and the intest follower its meanufac-ture of the Old Dr's Sarsapiarilla. The Sarsaparilier root, it is well known to metheal, man, contains many medicinal properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, pre-duce fermentation and acta, which is injurious to the sys-tem. Some of the properties of sarsaparitiane so colatile that they entryly oraports and are lost in the frequention in they are of preserved by a scientific process, known on-by to these explanement in the manufacture. Moreover, these colatile premeries the very essential medical prop-erties of the root, which gives to it all its value. Any presen can had or steer the used the coloring mainterno-the root then roop anything else; they can then strain this meight or vapil liquid, sweether with sour molasses, and then call it "SARSAPARILLA ENTRACT or SYRUP." But such is not the article known as the GENUTINE OLD DR JACOB TO WNSEND'S SARSAPARILLA. This is so prepared that all the mert, properties of the Sarsaparilla not are first removed, evertuin cauble of the Sarsaparilla procine first removed is evertuin cauble of the Sarsaparilla procine first removed is evertuin cauble of the Sarsaparilla procine first removed is evertuin cauble of the Sarsaparilla procine first removed is evertuin cauble of the Sarsaparilla procine first removed is evertuin cauble of the Sarsaparilla procine first removed is evertuin cauble

SARSAPARILLA, This is so prepared that all the mort properties of the Sarsaparulla pool are first rempred everything capable of becoming acid of fermentation is extracted and rejected; then every particle of medical virue is secured in a pirce and concentrated form; and thus it is rendered incamble of losing any of its valuable and thus to its rendered incamble of losing any of its valuable and thus to worth ascent in the **Cure of innumerable Diseases.** Hence the reader why we here commutations an every

# Hatch's Celebrated Chemical

**Powder.** THE nineteenth century has not witnessed a discovery of which the direct effects will be so universally appreciated, or so productive of conven-ience and comfort as Hatch's Celebrated Chemical Powder, which is warranted to give a keener and smoother edge to Razors, surgical Instruments, and all fine Cutlery, in one minute, than any other Powder, Paste, or Strop, now in existence. This is no humbag. It only wants to be tried to be appreciated by every one. For sale by ABEL TURRELL, Montrose.

NEW ARRANGEMENT. Freight and Comission Line.

Via. New York and Erie Rail Road

CAPT. 1. O. Tiffany and Walter Follet have formed a partnership for the transportation of freight and produce of all kinds between Great Bend and New York by the Railroad, by the regular Freight line, which leaves Great Bend every morning at 84 o'clock.

BLE of DETERIORATION, and NEVER SPOILS, while the other DOES: souring, fermenting, and blowing the bottles containing it into insyments; the sour, acid liquid exploating, and damaging ther goods! Must not this borrible compound be poisories to the system - What? put acid into a system already diseased with acid? What causes Dyspeptia but acid! Do we not all know that when food sours in our isomacle, which mischef it produces 1-flanthere, heartburn, pulpitation of the fneart. liver com-plaint, diarrhara, dyscutery, colic, and corruption of the blood? What is Scrould but an acid hubbor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Suit Rhoum, Eryspelas, White Swellings, Fever Sores, and all ulcerations interijal and ex-ternal? It is nothing under theirs but a sour and acid fluid which insubacks the but went the joints and else where, irritating and inflaming the delicate the uses upon which in actis? So of nervous aliseases, of impurity of the blood, of deranged circulation, and hearly all the ailments which all the nother but went and sell, and infinitely geore to use this SOURING, FERMENTING, ACID # CONTROLIND OF Captain Titiany, who has been for a number of vears engaged in the purchase and sale of produce in the New York markets, will remain in New York and give his personal attention to the disposal of all property committed to our care, and make returns as soon as the property is disposed of. Mr. Follet will be at Montrose and Great Bend alternately. Orders for the transportation of Freight, may be sent to him at either place, and will receive prompt attention. Our charges over the regular freight will be a small commission.

Montrose, May 9, '49. L. O. TIFFANY. WALTER FOLLET.
