

Mr. WALDO of Ct. was elected to Congress in a Free Soil district by the aid of Free Soil votes. He was elected by Speaker. One of his Free Soil constituents wrote to him complaining of his vote, to which he answered that "he had other friends to please, and another party to satisfy, besides the Free Soilers."

FREE SUFFRAGE.—At the recent election in Wisconsin, the question of free suffrage was voted on, and decided in the affirmative; the vote showing 4000 for, and 3600 against it. This establishes the right of every male citizen of whatever color over the age of twenty-one years to vote at all elections in the state.

Never take a paper more than ten years without paying the printer, or at least sending him a lock of your hair, to let him know that you are about.

Acknowledgment.
Mr. and Mrs. RILEY desire, this publicly, to acknowledge their indebtedness to their many friends who favored them with their presence and, so generously, manifested their interest on the afternoon and evening of the 8th inst. These expressions of kindness, while they materially add to the comfort of the recipients, have not failed to awaken an increased desire that the blessings of the God of Providence and Grace may be richly bestowed upon the donors. For their temporal prosperity they pray; but especially is it the earnest supplication of their hearts that they may be abundantly rewarded with the more precious gifts from a Father's spiritual treasury.

If their prayers are answered, then, indeed, will the year we have commenced be to each a happy new year.

Card.
The undersigned take this method of expressing their heart-felt gratitude and thanks to their numerous friends, for their special kindness and valuable donations presented to them on the fourth instant; and they devoutly pray that the donors may be blessed with every needed good, and ever realize that "it is more blessed to give than to receive."

Your humble servants,
MR. & MRS. A. O. WARREN.
