HENRY DRINKER, Executive lysis, it is found that the ashes of the flax lant contain nearly one-third potash and soda thence salt and house ashes, sown broad cast, are the best morganic manure. MR. BARTLETT of Romalus, once tried the experist of sowing salt broad cast over a part of ins that field ; the result was a visible increase | na and Wayne, and having a large number of them if seed in the plants on that part of the field. Waterloo, N. Y., April, 1850.

THE GREAT EXHIBITION .- It is stated that the Committee who have in charge the armugements for the World's Great Industrial Rihibitions, to be held next year at London. Thave already determined to erect a building a mile in length, with five avenues each a mile long, and that this is only to begin with as it thought to be quite too small for the whole. This will appear more probable, when we remember that at the late exhibition of implements at the fair of The Royal English Agricultural Society, twenty seven acres were | cated, for settlement to either of the Executors, and covered by them. To understand well, all any persons indebied to the Estate will-please that is to be seen at the great approaching exhibition will require about the same length of attentive observation as the tour of En-

The Rev. Richard Dunning, Pastor of the Presbyterian burch, Adams Basin, Monroe Co., N. Y., wrote in October, the Rev. Advances in Meaning, related of the reconstruction, church, Advances and Meaning (Co. N. Y., wrote in October, 1844: I have just received a letter from Mr. Channey Dun-uing, relative to the cure of his Ferer-sore. You may de-pend on what it states, for he is a Christian mon nade an elder in the church. Some years since he had to have one of his less cur ef, to save his hife, in consequence of a Fever-sore. The other hig heing now affected, and about to be amputa-ted, I recommended Brant's Medicine-READ THE RESULT. He says, ' have used only THARE MORTLES of BRANT'S MEDICINE-1 pland ALL HOPE from your recommendation is that Medicane, and I can fibw say, that with the blossing of God, it has specified a cure of my leg." See Pumphlets, for full particulars.

Chronic, Rheumatism.

Capt Erra Knopp. 37 Willow street, Brooklyn, N. Y. had Rheim stirm for 50 years, he used Hrant's Medicine, which effected a cure. Numerous other cases of recent and long standing, have been effectually cured.

LIVER COMPLAINT.

Dact. Nations Hubbard, of Stamford, Coon, one of the oldest and most respectable physicians, was afflicted with Luver Complaint many years, and was perfectly curved, by using Brant's Purifying Extract. We could name hundreds of other cases, also curved.

NURSING SORE MOUTH, LUCORRHEA, &C.

NURSING SORE MOUTH, LUCORRHEA, &C. Byron, Generee Co., N. Y. October 19, 1647. MESSRS. M. T. WALLACE & CO.: Some time last winter my with become so debilitated from the effects of Lucor kas, and Nursing Sere Mouth, that she could not lift her child or perform any household lubof. Her medical treatment was varied necording to the advice and prescrip-tions of the most eminent physicians, until our skill ware exhausted in uscless cliuits. She becamb so very a skele-ton, that at the turie she commenced taking your Palmonary Balsam she weighted no more then eighty-five pounds; lub by the time she had taken four bottles, she became perfectly well. The cure is so perfect, that she is now enabled to do all necessary household work, and gained thirty pounds (be used in so all laboring under any similar alliction. Youre, truly, C. B. GALENTINK, Z. S. TERRY, Esq. of Byron, wrote us at the same time that Mr. Galentine numed, shore wrote, saying, that he was personally acquainted with Mr. and Mrs. Gelentine, and that the above cure came under his own observation. He further adds, that he is acquainted with

A Dozen Other Cures of various diseases, which were effected by Brant's Indian Medicines.

Mercurial Diseases.

There is another class of diseases which BRANT'S PURIFYING EXIRACT, perfectly purges and eradicates from the system, with HOUT ANY FALLURE. This class of diseases, when they become constitutional, are unchas of discases, when they become continuionel, are uru-ally called Mercurial because some physicians believe such connot be cured, without the use of mercury. We will not mame the discase, because from this description it will be understand be understood.

To Watch Makers.

THE subscriber has given up the busines of Watch repairing, and having a suitable place with tools and materials on hand, would offer a good chance for some young man of good character and being a good workman, to engage in the busi-ness. Address the subscriber at Montrose, Dec. 25, 1849. N. MITCHELL.

inferior article 1 This young man's liquid is not to be COMPARED WITH THE OLD DR'S. because of one GRAND FACT, that the one is INCAPA-BLE of DETEBIORATION, and NEVER SPOILS. while the other DOES: souring, fermentisg, and blowing the bottles colitaining it into fragments : the sour, acid iquid exploding, and damaging other goods! Mast not the borrible compound be, poisonous to the system 1-- WAat' put acid into a system directly discased with acid 2 What causes Dyspeptia but acid 1 - Do wenot all know that when food sours in our stomaches, what mischief it produces!-datulence, heartburn, palpitation of the heart. liver com-plaint, dintribes, dysentory, colic, and corruptions of the Skin, Scild Head, Sait Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcorations internal and en-ternal 1. It is nothing under heaven but an acid eubsunte-which sours, and thus spoils all the fuldics of the body, nore or less. What causes Rheumatism but a sour and all which instructs itself botween the joints and eige-whech instructs itself botween the joints and eige-which instructs itself botween the joints and eige-which sours, and thurs between the joints and eige-which instructs itself botween the joints and eige-which instructs itself botween the joints and eige-which afflict human nature. Now is it not borrible to make and sell, and eigen-which afflict human nature. Now is it, not borrible to make and sell, and eigen-which afflict human nature. Now is it, not borrible to make and sell, and eigen-which afflict his harve it understood that Odd. Dr. 14

Now is it, bit horrible to make and sell, and definitity icores to use this SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND. and yet he would fain have it understood that Old.Dr. Is cob Townsend? Gentime Original Soraroparsile, is an it in the sent of the inferior preparation 1! Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Town-send's article and old Dr. Jacob Townsend's sample of the sentence of the sentence of the sentence would bear the most distant resemblance to S. P. Town-send's article and old Dr. Jacob Townsend's sample of the sentence of the sentence of the sentence would bear the most distant resemblance to S. P. Town-send's article and old Dr. Jacob Townsend's sample of the sentence of the sentence of the sentence of sentence of the one engree ming in common; unsegnitific, unprofession man, what gues raticle sould be appendent the sentence of the articles used in preparing it, and which are is capable of changes which might render than the AGENTS of Disease instead of seath 1. But what size should be appendent them the AGENTS of Disease instead of seath 1. But what set sentence to cook and serve up are a common descent meal. How much more important is it that the persons who manufacture medicine designed for WEAK STUMACHS AND ENFERENCE of your set of yours also an extensive knowledge of the various diseases which affect the human system, and how to singer remotion the diseases! It is to arrive fraude upon the unfortunate, to pour sin into wounded humanity, to incide hops in the dominant booker, its resions health, and bloom, and your also for under durantly to incide hops in the changes which and who ensure thouse the motorunate, to pour sin the busined to bring, and booker, and your busines to be diseases! MACOB TOWNSEND has SOUGHT and FOUND the of portunity and means to bring has: **Granned Univereal Commentrating the singer** for that the
