Highly Important from Havana.

From Havana, the Georgia brings late and interesting intelligence. Great excitement existed in relation to the news of an expected invasion. Many had been put in prison on suspicion, and among them three priests for preaching mutinous sermons.

The day the Georgia arrived was celebrated by the execution of a poor wretch who was sent over by Lopez to obtain pilots for the expedition. He was tried in open court, and the evidence was so strong that he was immediately executed, previous to which he was subjected to great torture for the purpose of extorting a confession.

This is the first execution that has taken place for political offences, and it has created some ill feeling against the new Governor-General, and his conduct in executing a person who did not seem to know that he was committing a crime has been severely criticised. Matters are becoming so serious andstarmning in Havana, that many are prepaning to leave. The Captain-General is taking every precaution to guard against an invasion. Look-outs are stationed all along the cost, within two miles of each other, and the vessels of war are kept cruising between San Antonio and Havana. One of the steamers (" the Cuba") was ashore on the Colorados when the Georgia passed, and the Pizarro had gone to her assistance.

A row had occurred in Havana between some American scamen and the inhabitants, the seamen were drunk and noisy, and received a beating, were arrested and their heads put in the stocks, from the effect of CARPETS, Sheetings, Yam ec, for sale by which treatment two had died. The affair B.R.LYONS & CC is now in the hands of the American Consul.

HORRIBLE MURDER - A most horrible marder was committed in Roxborough township near Philadelphia, on the night of Friday, the 2nd inst. The victims were a German, named Bartle, his wife, and an infant child, who were the next morning found on the premises owned by them, cut and mangappeared to have been inflicted with axes, two of which were found near the scene of the butchery. The family consisted of the man and wife and four children. The three children who escaped, two girls and a boy, were found hid behind the barn. A german named Gottleib Graysinger has been arrested on suspicion of having committed the munier. He worked for Bartle some time previous, and they had an altercation in regast to the payment of the wages ; and he vas akerward heard to threaten violence upon the murdered man. He is described as debeing of a sullen and morese disposition, and is about 35 years old. He will be examined in a days.

THE PRESERTERIAN ASSEMBLIES .- The Old School General Assembly of the Presbyterian Church, of the Unite | States, will hold its next arrual session at St. Louis, May 13th. On the same day, the New School General Assembly vill commence its sessious at Utica. N. York. Among the delegates to the latter is Hon. J.R. Gildings, who was appointed by the Grand River Presbytery, to agitate the Slavry question.
