[cuwage and down, canella alba, refined pods borax,

Ladies and Gentlemen:

I WISH to call your attention to the arrangement I have made, which is intended for your benefit as well as my own. On account of the increase in watch repairing I am unable to do it all myself, and as I intend to spend more of my time in trade, I have engaged a workman of the first in New York to spend his time with me, after a bout the first of April. In speaking of his capabilities I cannot say that he has worked in LIVERPOOL until his dancing days are over and is obliged to go into the country and do jobs at half price in order to get a living, but I can say that he comes recommended by the first workmen in our own country, and for his good operating I alone am responsible, so let us hear from you whenever there is occasion and you shall be satisfied to a T, if your wants are as numerous as the sands on the shore.

N. B. I shall soon be on hand with a fresh lot of goods, a description of which you shall have in due time. WM. W. TRUE.
