Foreign News.

The United States Mail steamship Humboldt arrived at New York hast Tuesday evening, with seventy passengers and five days later intelligence from all parts of Europe.--Cotton and grain retain the same prices as the last dates.

The success of the World's Fair in London continues to be the great theme of conversation. On the 2d June, nearly £1,000 was taken at the doors, and the London Times states that on the 3d instant, the number of people who visited the Exhibition was offici-

British Minister in Florence, died unexpectedly on the 26th May. The decease of the Earl of Shaftsbury is also announced by the mail. He was for many years chairman 'of committees in the House of Lords.

The United States frighte St. Lawrence, Commander J. R. Sands, having on board the Hon. Mr. Haddock, the American Minister to Portugal sailed from Southampton on the od inst., for Lisbon. On the day prior to the departure of the St. Lawrence, Capt. Sands gave a grand entertainment on board to the measure at the magnificent reception they experienced from the American officers.

The Parliamentary intelligence is entirely destitute of interest to American readers. The Sheffield Independent states that the

Mormons have determied on a great and systematic attempt to convert England to Mormonism. They are at this moment adding 10 their churches, by adult baptism, 500 disciples every month. So confident are they. that they propose to huild a great Mormon the number seceding from the Weslevan rose in and for said County of Susquehanda, on the Church this year will be about fifty thousand, and estimates that of these, probably onehalf will not join any organized church.

The advices from Erance, by this arrival are of some interest, and are principally occu-

Affairs in Portugal remained much the do not permit, unjustly and against the same to be done do not permit, unjustly and against the same laws same as by the last-advices. More confidence and customs as it is said. And have you then there was, however, temporily established, altho' this writ. it was expected that a financial difficulty would soon press heavily upon the government.

The accounts from Sprin are important. M. Orenso Marquis de Albayda, president of 4 Spanish Democrats, lias circulated an address containing his political programme. The government has ordered the police to prevent the circulation of the cocument, but its circulation was immense. The Address ad-vocates the union of the kingdoms of Spain S going cheap at J. LYONS & SON. sfid Portugal, under a Republic, and other r easures of administration and financiel rem. It was thought in Madrid that a liberal movement was not far distant.

A SCREW LOOSE .- The San Bary American. edited by H. B. Masser, Esq., a leading and influential member of the lucofico party, after announcing the judicial ticket made at Harrisburg, savs - "We shall give it, with

The Annual Exhibition At Harford University, will take place on Wedgerday, July 2d Harford, June 14, 1851. Take Notice.

The Guarterly meeting of the Bridgewater Bap-tist Association will be held in the Baptist Meeting House in Dimock, commencing on Friday the 27th inst, at 4 o'clock P. M.
