ETNA INSURANCE COMPANY,

OF UTICA, N. Y.

E. N. HOTCHKISS, Agent for the above Company, now offers to insure both real and personal property for the citizens of Susquehanna County against loss or damage by Fire, on as favorable terms, and with as entire safety to the assured as can be effected by them in any other responsible Company whatever. I have obtained a License and am prepared to insure Farmers and others having unexposed risks, at such rates as render it morally certain that I will monopolize the business of the county if those having property to insure will stop to "count the cost." We insure all kinds of property, charging for each a fair proportionate rate for the risk run, and when losses happen, pay promptly. It is useless to insure in mutual companies that charge little or nothing for their policies. When you meet with a loss the pay is of the "same sort," and all the insured gets for his pains is a good bleeding in the form of *assessments* to pay the "losses and expenses" of the company in contesting his claim.

N. B.—We hold ourselves responsible for losses and *damages* by lightning, which is not done by most companies.

JOHN F. HEINMAN, Pres't.
A. F. ROCKWELL, Sec'ry.

E. H. HOTCHKISS, Agent—Office at Searle's Hotel, Montrose, and corner of Court and Washington streets, 2nd floor, Binghamton.

Montrose, Aug. 28, 1851. 1387w6

E. L. LITTLE will attend to all applications for this county with promptness and despatch. He may may be found at the office of B. S. Bentley.

American and Foreign Patent Agents, and publishers of the Scientific American, respectfully announce to the public that the first number of Volume VII. of this widely circulated and valuable journal will issue on the 20th of September. There is no subject of importance to the mechanic, inventor, manufacturer and general reader which is not treated in the most able manner; the editors, contributors and correspondents being men of the highest attainments. It is in fact the leading scientific journal of the country.

The inventor will find in it a weekly list of American Patent Claims, reported from the Patent Office, an original feature not found in any other weekly publication.

The best and cheapest family medicine in the world.

DR. ROBERTS'

COMPOUND SARSAPARILLA PILLS,

An Alterative, Tonic, Diuretic, and mild cathartic.

Price 25 cents per box containing 60 pills.

Each box contains 60 pills, which makes them as cheap again as any other standard pill, and four times cheaper, and warranted much superior in the cure of various diseases, to any of the Syrup mixtures sold; besides being a more convenient and proper form for use.

THE astonishing success which has attended the use of Dr. Roberts' Compound Sarsaparilla Pills is proof abundant and conclusive that they are truly

Nature's own Remedies,

and that they will cure all curable diseases quicker and more pleasantly than any other medicine ever known. The pills are principally an alterative medicine, (their basis being the solid extract of Sarsaparilla, prepared in a superior manner,) but sufficiently cathartic to gently assist nature, without purging unnecessarily, which make them peculiarly adapted to weak and enfeebled persons, invigorating and strengthening the body, purifying the system, and producing new rich blood and a healthy action of the stomach and liver.

They are acknowledged by our best physicians to be not only unexceptionable, but efficacious in the highest degree, and as a general

Family Medicine unqualled.

The Compound Sarsaparilla Pills are used for the permanent cure of those diseases which arise from an impure state of the blood, and morbid secretions of the stomach and liver, viz. erysipelas, scrofula or kings evil, ulcers, scald head, obstinate cutaneous eruptions, blotches, boils, pimples, sore weak or inflamed eyes, glandular swellings, rheumatic affections, pains in the bones and joints, dropsy, dyspepsia, asthma, diarrhœa and dysentary, coughs, colds, consumption when caused by capillary obstructions of the lungs in persons of scrofulous constitutions, inflammation of the lungs, influenza, indigestion, headache, jaundice, fever and ague, chill fevers, and fevers in general, general and nervous debility, and diseases arising from an injudicious use of mercury, and whenever medicine is required to invigorate the system.

They are a purely vegetable compound, and may be used by persons of all ages. They are pleasant to the palate, and produce no nauseau, uneasiness or griping in their operation. Hundreds of certificates could be given of those who have used them with great benefit.

We ask no person to take our word as to the merits of the medicine, but to call on the agent and purchase a box, and if on trial it does not give the most perfect satisfaction, they can return the box and receive the money paid for the same. Purchasers will be particular to ask for "Dr. Robert's Compound Sarsaparilla Pills," and observe that the green wrapper on each box has a fac simile of the signature of Jos. Roberts, M.D. and to purchase none others.

All applications for agencies, and letters on the subject of the medicine, must be addressed, post paid, to C. P. Fay, Owego, Tioga co., N.Y.

For sale by BENTLEY & READ, sole agents, Montrose, Pa.
