THE ROAD TO WEALTH.

WHAT is there that guarantees to me a competency more surely, in our decline of life, than health, and vigeur of youth, nothing then the question is, how shall that be obtained and secured! If we have a Cough, Cold, Bronchitis, Asthma, Chitath, Pleurisy, Influence of heartstees, or any others affection of the Lungs or Chest, you will find in DR. THROOPS COMPOUND SERUP OF BLOOD ROOT, a sure and safe remedy or If your children are afflicted with Coope or Hosping Cough, no better remedy can be found, they mands have been reviewed with it, and certificates of its curative powers, now in my possession, places it curative powers, now in my possession, places it beyond a doubt the greatest remedy of the age, for any affection of the Lungs. The powers of Blood Root as a remedy has long been known, but its harsh action alone has kept it somewhat out of general favor, but I fistler myself that the above combination is perfect, and that its use will secure riends wherever it is offered to an enlightened

A WORD TO MOTRERS-I wish to ameliorate your condition, to lessen your cares, perplexities, and anxietiss, which I do by providing for your tender offspring, a remedy for their ills, that is adapted to their infirmities, without the fear of consequences from remedies charged with opiates, so destructive and detrimental to so many thousso destructive and detrimental to so many thousands of our race. Who amought you but feels for the suffering nifant, whose cries are the only indication of its suffering. Writhing with pains from cholic emaciated from diarrhosa or dysentary, suffering great nervous irritation (often to fits) from teething—often brought to death's door by cholera infantum, and every ill arising from had nourishment or nursing. I have seen all these cured in a day almost, by a remedy that I linux has for day almost, by a remedy that I have been for years in perfecting, in an extensive practice of nearly twenty years, and now offer it to you under the true name of "Dr. Throop's Infant Restorative and Mother's Relief. Where this remedy has been used, it has met with unbounded favor, and as you value your own comfort or the welfare of your darling babe, I ask you to give it a trial, and you will say truly in its behalf, it is the "Mather's Relief."
WORMS are also productive of great torture to children of riper years, the symptoms of which every parent is aware, and when suspected it is their duty to exterminate them as speedily as pessible, which can be done only with a few doses of Dr. Threep's WORM POISON, which is beyond comparison with any Vermifuge of the day. It will destroy them; and the very small dose, makes it acceptable to the children that dislike medicines of

any kind. It is a happy computed of harmless vegetable medicines, that in their combination produce wonderful effects upon those filthy intruders of the human system. of the numan system.

If you are suffering from derangement of the Stomach, Liver or Bowels, you have fever, headache, sour stomach, heart-burn, flatulency, costiveness, and many other unpleasant symptoms, for their entire relief you have only to take a few do-ses of Dr. Throop's BILLIOUS PILLS, and you have a cure. They act upon disease by removing the cause, restoring the secretions of all the organ of the body, and health is the consequence. To those afflicted with sore, weak or inflamed eyes, I furnish you also a remedy that has stood the test of years of experience, and has restored the worst cases when every other remedy has failed, Dr. Throop's EYE WATER.
