army. If these rumors can be depended on they would imply that a feeling unfavorable to their own government, and too favorable to France, is apparent. There is reason to believe that something not of an ordinary nature is going on, with respect to the relations of France with Germany and the powers generally.

ACCIDENT AT SYRACUSE.—About 4 o'clock this morning, (Feb. 29,) the spire of the Unitarian Church in this city was thrown down by the force of the wind, and falling directly upon the roof of the church, crushed the whole building, a perfect mass of ruins. The rear wall of the church fell upon an adjoining dwelling house, occupied by Mr. Joel G. Northrup, which was almost entirely demolished. Two bed-rooms next to the church were rendered a perfect wreck, and a couple of young ladies, a daughter and niece of Mr. Northrup, who occupied one of the rooms, had a most miraculous escape from death. The floor above their room was dashed in upon them, and the bedstead upon which they lay was crushed into pieces. Even the floor of the room was dashed down into the cellar,—but strange to say, the occupants of the room escaped uninjured. The other bed-room was occupied by a young man, who also escaped without injury. Mr. Northrup, who occupied a room in another part of the house was slightly injured. The church was worth about six thousand dollars, and the dwelling house was injured to the amount of five hundred to eight hundred dollars.

The Great British Quarterlies and Blackwood's Magazine.

Important reduction in the rates of postage.

Leonard Scott & Co.

NO. 54 GOLD ST. NEW YORK,

CONTINUE to publish the following British Periodicals, viz:

The London Quarterly Review (Conservative.)
The Edinburg Review (Whig.)
The North British Review (free Church.)
The Westminster Review (Liberal;) and
Blackwood's Edinburgh Magazine (tory)

These reprints have now been in successful operation in this country for *twenty years*, and their circulation is constantly on the increase, notwithstanding the competition they encounter from American periodicals of a similar class, and from numerous *Eclectics* and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their *literary* character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. *Blackwood*, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that magazine, and first appearing in its columns both in Great Britain and the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer,) "My Peninsular Medal," "The Green Hand," and other serials of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by Messrs. Scott & Co., so that subscribers to the reprint of that Magazine may always rely on having the earliest reading of those fascinating tales.

TERMS PER ANNUM.

For any one of the four Reviews,	$3 00
For any two of the four Reviews,	5 00
For any three of the four Reviews,	7 00
For all four of the Reviews,	8 00
For Blackwood's Magazine,	3 00
For Blackwood and three Reviews,	9 00
For Blackwood and the four Reviews,	10 00

Payments to be made in all cases in advance. Money current in the State where issued, will be received at par.

CLUBBING.

A discount of 25 per cent. from the above prices will be allowed to Clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood or of one Review will be sent to one address for $9; four copies of the four Reviews and Blackwood for $30; and so on.

REDUCED POSTAGE.

The postage on these periodicals has, by the late law, been reduced on the average, about fifty per cent. The following are the present rates, viz:

FOR BLACKWOOD'S MAGAZINE.

	Miles.	Per Quar.
Any distance not exceeding	500	6 cents.
Over 500 and not exceeding	1500	18 "
Over 1500 and not exceeding	2500	24 "

FOR A REVIEW.

	Miles.	Per Quar.
Any distance not exceeding	500	4 cents.
Over 500 and not exceeding	1500	8 "
Over 1500 and not exceeding	2500	16 "

At these rates no objection should be made, as heretofore to receiving the works mail, and thus ensuring their speedy, safe, and regular delivery.

☞ Remittances and communications should be always addressed, post-paid, to the publishers,

Chenango Water Cure.

DR. C. B. BARRETT,

FORMERLY of the city of New York, embraces this opportunity of informing his many friends and patrons, and those favorable to a judicious mode of Hydropathic treatment, that he has withdrawn himself entirely from the "*Mount Prospect Water Cure*," (of which he was formerly part Proprietor, and its resident Physician;) and opened an establishment for the relief of Diseases of an Inflamatory and nervous character.

The institution is located 2½ miles from the beautiful and flourishing town of Binghamton, on the East side of the Chenango River, and is at all times accessible to the cars going East or West, by a pleasant and picturesque ride of 15 minutes duration, and will hereafter be known as the

Chenango Water Cure.

DR. C. B. BARRETT would earnestly direct the attention of the sick and afflicted to a careful and considerate perusal of the following statements, which if properly heeded will save those afflicted from becoming the victims of quackery and base imposition.

1st. The Institution will be supplied with a series of powerful Vapour, Douche and Shower Baths, all of them capable of being used to any degree of temperature, applicable to the immediate wants of the patient's case.

2nd, The use of these baths as administered by Dr. Brarett, (*provided the directions given from time to time are strictly and unalterably followed,*) ARE GUARANTEED TO CURE ALL DISEASES THAT ARE CURABLE; *and in those beyond the reach of restoration to health, relief, of the most grateful and satisfactory character will be obtained.*

3rd; It is a well known fact, that in a climate like this, liable at all times to so many sudden changes, under which a feeble and delicate constitution is compelled to yield to its debilitating influences, the successful application of *Cold Water!* through a long and rigid winter as applied by the *self styled* "Water Cure Doctors" of the day, on those who are so unfortunate as to be obliged to become "in-door patients" at any of those large boarding houses called "Water Cures," must necessarily be to say the least of it, of a very doubtful and suspicious character; and, in a large majority of cases, leaves the poor sufferer worse than he was before entering its portals. All this arises from a system of Charlatanism, or quackery, adopted by those, who eager to be called a Doctor, have only glanced at the shadow whilst the substance of the Practice is far, far beyond their most gifted intellects. Hence they use in a hap-hazard manner a very powerful and, in unskillful hands, a very dangerous agent, without any regard to the temperature of that agency, or the temperature, habits of life, &c., of the individuals who may be so very unfortunate as to fall into their hands.

4th. It not unfrequently happens that the pecuniary resources which a patient may have under his immediate control, are of a character so limited as to render it impossible for him to pay $6, $8 or $10 per week for Board, &c., especially if it is required of him to become an inmate for two or three months. In the Institution now opened by Dr. Barrett, more than two-thirds of such an expense is saved to the Patient, from the fact, that the personal attendance of the sick will not be required, even in the very worst cases, more than three times a week, and then only for one hour, (the majority of cases requiring but two visits per week,) enabling each patient immediately after their treatment, to retire to their respective homes, taking with them printed directions for Home Treatment, until the next regular appointed return.

Thus, Time and Money, (both very important items,) are saved to the Patient and his family, by the systematic course of treatment as adopted at Dr. BARRETT'S establishment. A system which is exactly the same as that in use at the present day in the principal Hospitals and Private Institutions of this country and of Europe: and for its successful issue, living witnesses to its benign and beneficial influences are around us on every hand.

The following are the terms on which each patient will be received for treatment, and from which, in no case will there be any departure or deviation.

Day Patients—One Dollar each sitting.

Patients by the Week—Five Dollars which includes Board, Fire, Light and Attendance.

☞ No Book Account is kept. Each day patient will pay for his or her Bath after having received it, and before leaving the Institution. Patients, who Board at the Institute, will pay at the close of each week. These regulations will be promptly carried out.

Day patients will provide themselves, for each sitting, with 2 sheets, (coarse cotton) one large Comfortable, and 3 Crash towels.

Hours of treatment from 8 A. M. to 5 P. M. No treatment on the Sabbath.

The Subscriber is a regular graduate, and a Licensed Practitioner of the class of 1831, and a member of the "American Hygienic and Hydropathic Association of Physicians and surgeons," and for the past nine years has devoted himself to the treatment of diseases by the use of Water, judiciously administered in its various forms.

CLEMENT B. BARRETT, M. D.

N. B. Persons living at a distance from the Cure, and desiring professional advice, by sending Age, sex, Occupation, Habits of Life, and symptoms of their Disease, and enclosing One Dollar current funds, postage pre-paid will receive immediate attention, accompanied with full directions.

Diseases Treated at the Chenango Water Cure.—(Kept and Established by Dr. C. B. BARRETT,) By the use of pure water in its various forms of application.

Amaurosis, if in its incipient stages; Aphonia or loss of voice; Asthma when spasmodic; Aneurism, Abscess, Ague and Chills, Atrophia or Nervous consumption, Atony of the stomach, Ammenorhœa, Bronchitis, Blindness, if from recent inflamation, or paralysis of the Iris; Brain—with congestion and concussion; Chorea, or St. Vitus' Dance; Cataract—if in its incipient stage; Chlorosis, Curvatures of the spine, Cramps or Spasms, Colic, Coldness of feet and hands, Contraction of muscles Cuib feet.
