Wyoming Seminary,

KINGSTON, LUZERNE CO. PA.

THIS Institution has one of the most desirable locations in Northern Pennsylvania. Kingston is a quiet, pleasant and salubrious village, one mile West of Wilkesbarre, and accessible by daily stages from all parts of the country. The school has now been in operation seven years, during which its patronage has been liberal and constantly increasing.

Through the munificence of Wm. Swetland, Esq. an additional Seminary building 40 by 49 feet, and three stories high, has just been completed, and by the liberality of Hon. Ziba Bennett, the school is now furnished with a valuable and extensive library, entirely new. The Chemical, Philosophical and Astronomical Apparatus of the Institutim is regarded, by all who have knowledge of it, as of a high order and ample for full experiments in Natural Science.

The Board of instruction for the ensuing year is as follows viz:

REV. REUBEN NELSON, A. M. Principal.
REV. YOUNG C. SMITH, A. M.,
Teacher of Ancient Languages.
PHILIP T. MYERS, A. B., Teacher of Mathematics.
Rev. C. H. HARVEY, Teacher of Natural Science.
JAMES W. WESTLAKE, Assistant Pupil.
Miss MARY DIETZ, Preceptress and Teacher of Modern Languages.
Miss ESTHER PATRICK, Assistant Teacher of Modern Languages.
Mrs. JANE S. NELSON, Teacher of Drawing and Painting.
Mrs. S. A. GREGORY, Teacher of Music.

All of the above teachers are employed in that school the whole of each day, except the Teacher of Drawing, and Mr. Westlake. The former devotes such a portion of each day to her class as may be necessary, and the latter teaches on half of each day. The public will perceive that by this arrangement the school is under the supervision, and instruction of a very full board of teachers, and the trustees confidently believe that no pains will be spared to promote the most thorough improvement of all the pupils.

The necessary expenses at this Institution are moderate Tuition exclusive of the ornamental branches, from $3 to $3.50 per quarter. Board $1,50 per week, washing 37 1-2 per dozen, and fuel $2,50 per annum.

The discipline of the Institution combines mildness with firmness, inculcating sound, moral and religious principles, persevering indu-try, strict order and correct deportment.

The present term of this school will continue till the 23d of Dec. next. Students are admitted at any time, but the most suitable time for entering is the beginning or the middle of each term. Those who may wish to attend the school, through the remainder of the Fall, and throughout the winter, would do well to enter as soon as the 20th or 23d inst. There will be a vacation of two weeks at the close of the present term. The next term consists of thirteen weeks, commencing January 7th, and closing April 7, 1852.

Catalogues of the Seminary, and any information relative to it, can be obtained by addressing the Principal or either of the undersigned.

BOOTS & SHOES selling off at cost at

FORDHAM'S.

WHAT is there that guarantees to us a continuance more surely in our decline of life, than health, and vigour of youth, nothing ... then the question is, how shall that be obtained and secured? If we have a Cough, Cold, Bronchitis, Asthma, Catarh, Pleurisy, Influenza or hoarseness, or any other affection of the Lungs or Chest, you will find in *DR. THROOPS COMPOUND SYRUP OF BLOOD ROOT,* a sure and safe remedy, or if your children are afflicted with Croup or Hooping Cough, no better remedy can be found, thousands have been relieved with it, and certificates of its curative powers, now in my possession, places it beyond a doubt, the greatest remedy of the age, for any affection of the Lungs. The powers of Blood Root as a remedy has long been known, but its harsh action alone has kept it somewhat out of general favor, but I flatter myself that the above combination is perfect, and that its use will secure friends wherever it is offered to an enlightened public.

A WORD TO MOTHERS.—I wish to ameliorate your condition, to lessen your cares, perplexities, and anxieties, which I do by providing for your tender offspring, a remedy for their ills, that is adapted to their infirmities, without the fear of consequences from remedies charged with opiates, so destructive and detrimental to so many thousands of our race. Who amongst you but feels for the suffering infant, whose cries are the only indication of its suffering. Writhing with pains from choice, enuciated from diarrhœa or dysentary, suffering great nervous irritation (often to fits) from teething—often brought to death's door by cholera infantum, and every ill arising from bad nourishment or nursing. I have seen all these cured in a day almost, by a remedy that I have been for years in perfecting, in an extensive practice of nearly twenty years, and now offer it to you under the true name of "*Dr. Throop's Infant Restoratives and Mother's Relief.* Where this remedy has been used, it has met with unbounded favor, and as you value your own comfort or the welfare of your darling babe, I ask you to give it a trial, and you will say truly in its behalf, it is the "Mother's Relief."

WORMS are also productive of great torture to children of riper years, the symptoms of which every parent is aware, and when suspected it is their duty to exterminate them as speedily as possible, which can be done only with a few doses of Dr. Throop's WORM POISON, which is beyond comparison with any Vermifuge of the day. It will destroy them; and the very small dose, makes it acceptable to the children that dislike medicines of any kind. It is a happy compound of harmless vegetable medicines, that in their combination produce wonderful effects upon those filthy intruders of the human system.

If you are suffering from derangement of the Stomach, Liver or Bowels, you have fever, headache, sour stomach, heart-burn, flatulency, costiveness, and many other unpleasant symptoms, for their entire relief you have only to take a few doses of Dr. Throop's BILLIOUS PILLS, and you have a cure. They act upon disease by removing the cause, restoring the secretions of all the organ of the body, and health is the consequence.

To those afflicted with sore, weak or inflamed eyes, I furnish you also a remedy that has stood the test of years of experience, and has restored the worst cases when every other remedy has failed, Dr. Throop's EYE WATER. These comprise the list of

Dr. Throop's Medicines, that should be in the hands of every housekeeper, as a good remedy, always ready, and which only requires a trial to assure them a place.

Another Scientific Wonder!

GREAT CURE FOR

DYSPEPSIA!

DR. J. S. HOUGHTON'S

THE TRUE

DIGESTIVE FLUID,

OR, GASTRIC JUICE.

Prepared from *RENNET,* or the fourth *STOMACH OF THE OX,* after directions of *BARON LIEBIG,* the great Physiological Chemist, by *J. S. HOUGHTON, M. D.* Philadelphia, *Pa.*

This a truly wonderful remedy for *INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION,* and *DEBILITY,* Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

☞ Half a teaspoonful of *Pepsin,* infused in water, will digest or dissolve, *Five pounds of Roast Beef in about two hours,* out of the stomach.

Pepsin is the chief element, or Great Digesting Principle of the Gastric Juice—the *Solvent of the Food, the Purifying, Preserving, and Stimulating* agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an *artificial digestive fluid,* precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of *Indigestion* and *Dyspepsia* are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing case sof *Debility, Emaciation, Nervous Decline,* and *Dyspeptic Consumption,* supposed to be on the verge to the grave. The Scientific Evidence upon which t is based, is in the highest degree *curious* and *remarkable.*

Scientific Evidence.

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food as meat and eggs, will be softened, changed and digested, just in the same manner as they would be in the human stomach."

☞ Call on the agent and get a descriptive Circular, gratis, giving a large amount of scientific evidence similar to the above, together with reports of remarkable cures, from all parts of the United States.

As a Dyspepsia Curer

Dr. Houghton's *Pepsin* has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement, but authenticated certificates have been given of more than two hundred remarkable cures, in Philadelphia, New York and Boston alone These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to bilious disorder, liver complaint, fever and ague and the evil effects of quinine, mercury, and other drugs upon the Digestive Organs, after a long sickness. Also for excess in eating, and the too free use of ardent spirits. It also reconciles Health with Intemperance.

Dr. Houghton's Pepsin is prepared in powder and fluid form—and in prescription vials for the use of physicians.

Private Circulars for the use of Physicians may be obtained of Dr. Houghton or his agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a secret remedy, no objection can be raised against its use by physicians in respectable standing and regular practice.

Price, ONE DOLLAR per bottle.

☞ OBSERVE THIS.—Every bottle of the genuine *Pepsin* bears the written signature of J. S. HOUGHTON, M. D., sole proprietor, Philadelphia, *Pa.* Copy-right and Trade-mark secured.

☞ Sold by all Druggists and Dealers in Medicines. ABEL TURRELL, Druggist, &c.

The best and cheapest family medicine in the world.

DR. ROBERTS'

COMPOUND SARSAPARILLA PILLS,

An Alterative, Tonic, Diuretic, and mild cathartic.

Price 25 cents per box containing 50 pills.

Each box contains 50 pills, which makes them as cheap again as any other standard pill, and four times cheaper, and warranted much superior in the cure of various diseases, to any of the Syrup mixtures sold; besides being a more convenient and proper form for use.

THE astonishing success which has attended the use of Dr. Roberts' Compound Sarsaparilla Pills is proof abundant and conclusive that they are truly

Nature's own Remedies,

and that they will cure all curable diseases quicker and more pleasantly than any other medicine ever known. The pills are principally an alterative medicine, (their basis being the solid extract of Sarsaparilla, prepared in a superior manner,) but sufficiently cathartic to gently assist nature, without purging unnecessarily, which make them peculiarly adapted to weak and enfeebled persons, invigorating and strengthening the body, purifying the system, and producing new rich blood and a healthy action of the stomach and liver.

They are acknowledged by our best physicians to be not only unexceptionable, but efficacious in the highest degree, and as a general

Family Medicine unqualled.

The Compound Sarsaparilla Pills are used for the permanent cure of those diseases which arise from an impure state of the blood, and morbid secretions of the stomach and liver, viz erysipelas, scrofula or kings evil, ulcers, scald head, obstinate cutaneous eruptions, blotches, boils, pimples, sore weak or inflamed eyes, glandular swellings, rheumatic affections, pains in the bones and joints, dropsy, dyspepsia, asthma, diarrhœa and dysentary, coughs, colds, consumption when caused by capillary obstructions of the lungs in persons of scrofulous constitutions, inflammation of the lungs, influenza, indigestion, headache, jaundice, fever and ague chill fevers, and fevers in general, general and nervous debility, and diseases arising from an invidious use of mercury, and whenever medicine is required to invigorate the system.

They are a purely vegetable compound, and may be used by persons of all ages. They are pleasant to the palate, and produce no nauseau, uneasiness or griping in their operation. Hundreds of certificates could be given of those who have used them with great benefit.

We ask no person to take our word as to the merits of the medicine, but to call on the agent and purchase a box, and if on trial it does not give the most perfect satisfaction, they can return the box and receive the money paid for the same. Purchasers will be particular to ask for "Dr. Robert's Compound Sarsaparilla Pills," and observe that the green wrapper on each box has a fac simile of the signature of Jos. Roberts, M.D. and to purchase none others.

All applications for agencies, and letters on the subject of the medicine, must be add
