Wyoming Seminary,

KINGSTON, LUZERNE CO. PA.

THIS Institution has one of the most desirable locations in Northern Pennsylvania. Kingston is a quiet, pleasant and salubrious village, one mile West of Wilkesbarre, and accessible by daily stages from all parts of the country. The school has now been in operation seven years, during which its patronage has been liberal and constantly increasing.

Through the munificence of Wm. Swetland, Esq. an additional Seminary building 40 by 49 feet, and three stories high, has just been completed, and by the liberality of Hon. Ziba Bennett, the school is now furnished with a valuable and extensive library, entirely new. The Chemical, Philosophical and Astronomical Apparatus of the Institutirn is regarded, by all who have knowledge of it, as of a high order and ample for full experiments in Natural Science.

The Board of instruction for the ensuing year is as follows viz:

REV. REUBEN NELSON, A. M. Principal.
REV. YOUNG C. SMITH, A. M.,
Teacher of Ancient Languages.

PHILIP T. MYERS, A. B., Teacher of Mathematics.

Rev. C. H. HARVEY, Teacher of Natural Science.
JAMES W. WESTLAKE, Assistant Pupil.
Miss MARY DEITZ, Preceptress and Teacher of Modern Languages.
Miss ESTHER PATRICK, Assistant Teacher of Modern Languages.
Mrs. JANE S. NELSON, Teacher of Drawing and Painting.
Mrs. S. A. GREGORY, Teacher of Music.

All of the above teachers are employed in that school the whole of each day, except the Teacher of Drawing, and Mr. Westlake. The former devotes such a portion of each day to her class as may be necessary, and the latter teaches on half of each day. The public will perceive that by this arrangement the school is under the supervision, and instruction of a very full board of teachers, and the trustees confidently believe that no pains will be spared to promote the most thorough improvement of all the pupils.

The necessary expenses at this Institution are moderate Tuition exclusive of the ornamental branches, from $3 to $5.50 per quarter. Board $1.50 per week, washing 37 1-2 per dozen, and fuel $2,50 per annum.

The discipline of the Institution combines mildness with firmness, inculcating sound, moral and religious principles, persevering indu try, strict order and correct deportment.

The present term of this school will continue till the 23d of Dec. next. Students are admitted at any time, but the most suitable time for entering is the beginning or the middle of each term. Those who may wish to attend the school, through the remainder of the Fall, and throughout the winter, would do well to enter as soon as the 20th or 23d inst. There will be a vacation of two weeks at the close of the present term. The next term consists of thirteen weeks, commencing January 7th, and closing April 7, 1852.

Catalogues of the Seminary, and any information relative to it, can be obtained by addressing the Principal or either of the undersigned.

Chenango Water Cure.

DR. C. B. BARRETT,

FORMERLY of the city of New York, embraces this opportunity of informing his many friends and patrons, and those favorable to a judicious mode of Hydropathic treatment, that he has withdrawn himself entirely from the "*Mount Prospect Water Cure*," (of which he was formerly part Proprietor, and its resident Physician;) and opened an establishment for the relief of Diseases of an Inflamatory and nervous character.

The institution is located 24 miles from the beautiful and flourishing town of Binghamton, on the East side of the Chenango River, and is at all times accessible to the cars going East or West, by a pleasant and picturesque ride of 15 minutes duration, and will hereafter be known as the

Chenango Water Cure.

DR. C. B. BARRETT would earnestly direct the attention of the sick and afflicted to a careful and considerate perusal of the following statements, which if properly heeded will save those afflicted from becoming the victims of quackery and base imposition.

1st. The Institution will be supplied with a series of powerful Vapour, Douche and Shower Baths, all of them capable of being used to any degree of temperature, applicable to the immediate wants of the patients case.

2nd. The use of these baths as administered by Dr. Brarett, (*provided the directions given from time to time are strictly and unalterably followed,*) ARE GUARANTEED TO CURE ALL DISEASES THAT ARE CURABLE; *and in those beyond the reach of restoration to health, relief, of the most grateful and satisfactory character will be obtained.*

3rd. It is a well known fact, that in a climate like this, liable at all times to so many sudden changes, under which a feeble and delicate constitution is compelled to yield to its debilitating influence?, the successful application of *Cold Water!* through a long and rigid winter as applied by the *self styled* "Water Cure Doctors" of the day, on those who are so unfortunate as to be obliged to become "in-door patients" at any of those large boarding houses called "Water Cures," must necessarily be to say the least of it, of a very doubtful and suspicious character; and, in a large majority of cases, leaves the poor sufferer worse than he was before entering its portals. All this arises from a system of Charlatanism, or quackery adopted by those, who eager to be called a Doctor, have only glanced at the shadow whilst the substance of the Practice is far, far beyond their most gifted intellects. Hence they use in a hap-hazard manner a very powerful and, in unskillful hands, a very dangerous agent, without any regard to the temperature of that agency, or the temperature, habits of life, &c., of the individuals who may be so very unfortunate as to fall into their hands.

4th. It not unfrequently happens that the pecuniary resources which a patient may have under his immediate control, are of a character so limited as to render it impossible for him to pay $6, $8 or $10 per week for Board, &c., especially if it is required of him to become an inmate for two or three months. In the Institution now opened by Dr. Barrett, more than two-thirds of such an expense is saved to the Patient, from the fact, that the personal attendance of the sick will not be required, even in the very worst cases, more than three times a week, and then only for one hour, (the majority of cases requiring but two visits per week,) enabling each patient immediately after their treatment, to retire to their respective homes, taking with them printed directions for Home Treatment, until the next regular appointed return.

Thus, Time and Money, (both very important items,) are saved to the Patient and his family, by the systematic course of treatment as adopted at Dr. BARRETT'S establishment. A system which is exactly the same as that in use at the present day in the principal Hospitals and Private Institutions of this country and of Europe: and for its successful issue, living witnesses to its benign and beneficial influences are around us on every hand.

The following are the terms on which each patient will be received for treatment, and from which, in no case will there be any departure or deviation.

Day Patients—One Dollar each sitting.

Patients by the Week—Five Dollars which includes Board, Fire, Light and Attendance.

☞ NO BOOK ACCOUNT IS KEPT. Each day patient will pay for his or her Bath after having received it, and before leaving the Institution. Patients, who Board at the Institute, will pay at the close of each week. These regulations will be promptly carried out.

Day patients will provide themselves, for each sitting, with 2 sheets, (coarse cotton) one large Comfortable, and 3 Crash towels.

Hours of treatment from 8 A. M. to 5 P. M. No treatment on the Sabbath.

The Subscriber is a regular graduate, and a Licensed Practitioner of the class of 1831, and a member of the "American Hygienic and Hydropathic Association of Physicians and surgeons," and for the past nine years has devoted himself to the treatment of diseases by the use of Water, judiciously administered in its various forms.

CLEMENT B. BARRETT, M. D.

N. B. Persons living at a distance from the Cure, and desiring professional advice, by sending Age, sex, Occupation, Habits of Life, and symptoms of their Disease, and enclosing One Dollar current funds, postage pre-paid will receive immediate attention, accompanied with full directions.

THE ROAD TO WEALTH.

WHAT is there that guarantees to us a competency more surely, in our dealing of life, than health, and vigour of youth, nothing; then the question is, how shall that be obtained and secured? If we have a Cough, Cold, Bronchitis, Asthma, Catarh, Pleurisy, Influenza or hoarseness, or any other affection of the Lungs or Chest, you will find in *DR. THROOPS COMPOUND SYRUP OF BLOOD ROOT*, a sure and safe remedy, or if your children are afflicted with Croup or Whooping Cough, no better remedy can be found, thousands have been relieved with it, and certificates of its curative powers, now in my possession, places it beyond a doubt, the greatest remedy of the age, for any affection of the Lungs. The powers of Blood Root as a remedy has long been known, but its harsh action alone has kept it somewhat out of general favor, but I flatter myself that the above combination is perfect, and that its use will secure friends wherever it is offered to an enlightened public.

A WORD TO MOTHERS.—I wish to ameliorate your condition, to lessen your cares, perplexities, and anxieties, which I do by providing for your tender offspring, a remedy for their ills, that is adapted to their infirmities, without the fear of consequences from remedies charged with opiates, so destructive and detrimental to so many thousands of our race. Who amongst you but feels for the suffering infant, whose cries are the only indication of its suffering. Writhing with pains from cholic, emaciated from diarrhoea or dysentary, suffering great nervous irritation (often to fits) from teething—often brought to death's door by cholera infantum, and every ill arising from bad nourishment or nursing. I have seen all those cured in a day almost, by a remedy that I have been for years in perfecting, in an extensive practice of nearly twenty years, and now offer it to you under the true name of "*Dr. Throop's Infant Restorative and Mother's Relief.* Where this remedy has been used, it has met with unbounded favor, and as you value your own comfort or the welfare of your darling babe, I ask you to give it a trial, and you will say truly in its behalf, it is the "Mother's Relief."

WORMS are also productive of great torture to children of riper years, the symptoms of which every parent is aware, and when suspected it is their duty to exterminate them as speedily as possible, which can be done only with a few doses of Dr. Throop's WORM POISON, which is beyond comparison with any Vermifuge of the day. It will destroy them; and the very small dose, makes it acceptable to the children that dislike medicines of any kind. It is a happy compound of harmless vegetable medicines, that in their combination produce wonderful effects upon those filthy intruders of the human system.

If you are suffering from derangement of the Stomach, Liver or Bowels, you have fever, headache, sour stomach, heart-burn, flatulency, costiveness, and many other unpleasant symptoms, for their entire relief you have only to take a few doses of Dr. Throop's BILLIOUS PILLS, and you have a cure. They act upon disease by removing the cause, restoring the secretions of all the organ of the body, and health is the consequence.

To those afflicted with sore, weak or inflamed eyes, I furnish you also a remedy that has stood the test of years of experience, and has restored the worst cases when every other remedy has failed, Dr. Throop's EYE WATER. These comprise the list of

Dr. Throop's Medicines, that should be in the hands of every housekeeper, as a good remedy, always ready, and which only requires a trial to insure them a place.

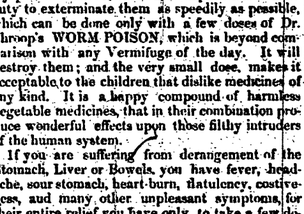
Another Scientific Wonder!

GREAT CURE FOR

DYSPEPSIA!

DR. J. S. HOUGHTON'S



THE TRUE

DIGESTIVE FLUID,

OR, GASTRIC JUICE.

Prepared from *RENNET*, or the fourth *STOMACH OF THE OX*, after directions of *BARON LIEBIG*, the great Physiological Chemist, by *J. S. HOUGHTON, M. D.* Philadelphia, *Pa.*

This a truly wonderful remedy for *INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION*, and *DEBILITY*, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

☞ Half a teaspoonful of *Pepsin*, infused in water, will digest or dissolve, *Five pounds of Roast Beef in about two hours*, out of the stomach.

Pepsin is the chief element, or Grant Digesting Principle of the Gastric Juice—the *Solvent of the Food, the Purifying, Preserving, and Stimulating* agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an *artificial digestive fluid*, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of *Indigestion* and *Dyspepsia* are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing case sof *Debility, Emaciation, Nervous Decline*, and *Dyspeptic Consumption*, supposed to be on the verge to the grave. The Scientific Evidence upon which t is based, is in the highest degree *curious* and *re markable*.

Scientific Evidence.

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membane of the stomach of the Calf. in which various articles of food, as meat and eggs, will be softened, changed and digested, just in the same manner as they would be in the human stomach."

☞ Call on the agent and get a descriptive Circular, gratis, giving a large amount of scientific evidence similar to the above, together with reports of remarkable cures, from all parts of the United States.

As a Dyspepsia Curer

Dr. Houghton's *Pepsin* has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement, but authenticated certificates have been given of more than two hundred remarkable cures, in Philadelphia, New York and Boston alone These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to bilious disorder, liver complaint, fever and ague, and the evil effects of quinine, mercury, and other drugs upon the Digestive Organs, after a long sickness. Also for excess in eating, and the too free use of ardent spirits. It also reconciles Health with Intemperance.

Dr. Houghton's *Pepsin* is prepared in powder and fluid form—and in prescription vials for the use of physicians.

Private Circulars for the use of Physicians may be obtained of Dr. Houghton or his agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a secret remedy, no objection can be raised against its use by physicians in respectable standing and regular practice *Price*, ONE DOLLAR per bottle.

☞ CAUTION THIS—Every bottle of the genuine *Pepsin* bears the written signature of J. S HOUGHTON, M. D., sole proprietor, Philadelphia, *Pa.* Copy-right and Trade-mark secured.

☞ Sold by all Druggists and Dealers in Medicines. ABEL TURRELL, Druggist, &c. Montrose, Agent for Susquehanna County.

The best and cheapest family medicine in the world.

DR. ROBERTS'

COMPOUND SARSAPARILLA PILLS,

An Alterative, Tonic, Diuretic, and mild cathartic.

Price 25 cents per box containing 50 pills.

Each box contains 50 pills, which makes them as cheap again as any other standard pill, and four times cheaper, and warrakted much superior in the cure of various diseases, to any of the Syrup mixtures sold; besides being a more convenient and proper form for use.

THE astonishing success which has attended the use of Dr. Roberts' Compound Sarsaparilla Pills is proof abundant and conclusive that they are truly

Nature's own Remedies,

and that they will cure all curable diseases quicker and more pleasantly than any other medicine ever known. The pills are principally an alterative medicine, (their basis being the solid extract of Sarsaparilla, prepared in a superior manner,) but sufficiently cathartic to gently assist nature, without purging unnecessarily, which make them peculiarly adapted to weak and enfeebled persons, invigorating and strengthening the body, purifying the system, and producing new rich blood and a healthy action of the stomach and liver.

They are acknowledged by our best physicians to be not only unexceptionable, but efficacious in the highest degree, and as a general

Family Medicine unqualled.

The Compound Sarsaparilla Pills are used for the permanent cure of those diseases which arise from an impure state of the blood, and morbid secretions of the stomach and liver, viz. erysipelas, scrofula or kings evil, ulcers, scald head, obstinate cutaneous eruptions, blotches, boils, pimples, sore weak or inflamed eyes, glandular swellings, rheumatic affections, pains in the bones and joints, dropsy, dyspepsia, asthma, diarrhœa and dysentary, coughs, colds, consumption when caused by capillary obstructions of the lungs, in persons of scrofulous constitutions, inflammation of the lungs, influenza, indigestion, headache, jaundice, fever and ague, chill fevers, and fevers in general, general and nervous debility, and diseases arising from an injudicious use of mercury, and whenever medicine is required to invigorate the system.

They are a purely vegetable compound, and may be used by persons of all ages. They are p
