DR. HOOFLAND'S

CELEBRATED GERMAN BITTERS,

PREPARED BY

Dr. C. M. Jackson,

At the German Medicine Store, 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of disease of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs they are withal, safe certain and pleasant.

Read and be convinced.

From the Boston Bee.

The editor said, Dec. 22nd:

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the case of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"Scott's Weekly," one of the best Literary papers published, said, Aug. 25—

"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

More Evidence.

The Hon. C. D. Hinelins, Mayor of the City of Camden, N. J. says:

"Hoofland's German Bitters.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.

If this medicine was more generally used we are satisfied there would be less sickness, as from the stomach, liver, and nervous system, the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a fair trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit.

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor is, that there is more of it used in the practice of the regular physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

Look well to the marks of the genuine.

They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious.

For sale Wholesale and Retail at the German Medicine Store, No. 120 Arch street, one door below Sixth, Philadelphia; and by respectable dealers generally through the country.

To enable all class of invalids to enjoy the advantages of their great restorative powers.

Another Scientific Wonder!

GREAT CURE FOR

DYSPEPSIA!

DR. J. S. HOUGHTON'S

THE TRUE

DIGESTIVE FLUID,

OR, GASTRIC JUICE.

Prepared from *RENNET*, or the fourth *STOMACH OF THE OX*, after directions of *BARON LIEBIG*, the great Physiological Chemist, by *J. S. HOUGHTON, M. D.* Philadelphia, *Pa.*

This a truly wonderful remedy for *INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBILITY*, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

☞ Half a teaspoonful of *Pepsin*, infused in water, will digest or dissolve, *Five pounds of Roast Beef in about two hours*, out of the stomach.

Pepsin is the chief element, or Great Digesting Principle of the Gastric Juice—the *Solvent of the Food, the Purifying, Preserving, and Stimulating* agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an *artificial digestive fluid*, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of *Indigestion* and *Dyspepsia* are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing case of *Debility, Emaciation, Nervous Decline*, and *Dyspeptic Consumption*, supposed to be on the verge to the grave. The Scientific Evidence upon which t is based, is in the highest degree *curious* and *remarkable*.

Scientific Evidence.

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed and digested, just in the same manner as they would be in the human stomach."

☞ Call on the agent and get a descriptive Circular, gratis, giving a large amount of scientific evidence similar to the above, together with reports of remarkable cures, from all parts of the United States.

As a Dyspepsia Curer

Dr. Houghton's *Pepsin* has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement, but authenticated certificates have been given of more than two hundred remarkable cures, in Philadelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to bilious disorder, liver complaint, fever and ague, and the evil effects of quinine, mercury, and other drugs upon the Digestive Organs, after a long sickness. Also for excess in eating, and the too free use of ardent spirits. It also reconciles Health with Intemperance.

Dr. Houghton's Pepsin is prepared in powder and fluid form—and in prescription vials for the use of physicians.

Private Circulars for the use of Physicians may be obtained of Dr. Houghton or his agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a secret remedy, no objection can be raised against its use by physicians in respectable standing and regular practice.

Price, ONE DOLLAR per bottle.
