Whig State Convention.

HUNTINGDON, Aug. 25.

The Whig State Convention, which assembled here to-day, was organized at 11 o'clock. On motion of Charles Thomson Jones, Chairman of the State Committee, John Fenlon, Esq., of Cambria, was chosen temporary chairman, and A. R. Scofield and Peter Sailor, appointed Secretaries.

A committee was then appointed, of which Matthias Myers, of Philadelphia county was chairman, to select officers for the permanent organization of the convention, after which the Convention adjourned to two o'clock.

On the re-assembling of the Convention, the Committee appointed for that purpose, reported the name of Jacob L. Gossler, Esq., of the city, for President, and a number of Vice Presidents and Secretaries.

The Convention then proceeded to ballot for a candidate for the Supreme Bench, which resulted in the choice of THOMAS A. BUDD, Esq., of the city of Philadelphia by a majority of one over Alexander King, Esq., of Bedford.

"I Digest" such is the true meaning of the word "Pepsin," or of the two Greek words from which it is derived. This is the significant and appropriate title of the true Digestive fluid or Gastric Juice, prepared by Dr. J. S. Houghton of Philadelphia, from the fourth stomach of the Ox, for the cure of Indigestion and Dyspepsia. It is nature's own remedy for an unhealthy stomach. No art of man can equal its curative powers. It renders Good Eating perfectly consistent with health. See the figure of the ox in another part of this paper.

Till we cross the dark river
To eternity's shore,

When this life shall be o'er,
Again we shall meet thee,

THE NEW YORK DAY BOOK.

DAILY AND WEEKLY.

The following notice this bold, independent and at the same time lively and sprightly paper is taken from the *Wall Street Journal*:

DAY BOOK.—It is a ways a pleasure for us to read this most welcome paper, and we are only astonished that it is not found everywhere when people can appreciate independence of tone, ready wit and honest truth. Instead of talking about the wrongs of women, we find its proprietor alleviating their lot by throwing open to them a new field for their labor in type setting. We hear that they are most apt scholars. Mr. Stimson deserves much credit for the course he has taken in teaching the poor working girls of this city the art of printing, thereby opening to them a new field of industry and profit, and we feel assured that, were his paper better known, it would receive almost the universal support of the country. It is true Union in its politics, sound on every question to its very core. The best wish we can give is that it may meet its deserts.

"The Day Book"

is an out speaking, plain, straight forward, independent Journal. It opposes firmly and steadily the Fourierism and infidelity of the Tribune and its kindred prints. Abjures the new fangled notions of Socialists and modern French reformers, and aims to promote and encourage good morals, obedience to law, and a reverence for the Sabbath and the word of God.

"The New York Day Book,"

is printed on a large double sheet, the size of the Tribune. It contains all the news of the day, miscellaneous extracts, Historical and biographical sketches, poetry, commercial reports, tables, &c.—Full reports of the markets. Prices current, bank note table, &c. And is every way equal to the best weekly papers in this country.

TERMS.—To mail subscribers,

Single copies,	$2 00 per annum.
Three copies,	5 00 "
Seven copies	10 00 "
Twenty copies	20.00 "
Daily Day Book	5 00 "

To clergymen the weekly paper is sent at half price.

N. B.—The Day Book is printed entirely by girls who have been taught the art of type setting by the proprietor.

To weekly country papers giving the above three insertions, and calling attention to it editorially, the Day Book will be sent one year.

PATENT
Self-sharpening
YANKEE FEED CUTTERS.

THIS Cutter is superior to any now in use, for strength, durability and simplicity of construction; it cuts faster, and is the only self-sharpening Hay, Straw, and Corn Stalk Cutter ever made. It has but *one straight knife*, which any person can grind and set with ease; but in ordinary cases is ground in the machine. Thousands have already been sold, and the demand is daily increasing. In most cases an examination is sufficient to convince one of its superiority. No one after a short trial would part with it for any other.

Dr. Keeler's Syrup.

The beauty and efficacy of this remedy is universally acknowledged by every one who has used and seen it. It will positively cure bronchitis, hoarseness, coughs, colds, pains in the chest, pluriesy, catarrhs, asthma, whooping cough, croup, and all diseases of the pulmonary organs arising from cold.

Its action is speedy, positive and salutary, combining in a high degree expectorant, sedative, diaphoretic and tonic, and will cure hoarseness in a few hours. The dose is small, taste so pleasant that children will desire it, and is just what physicians and families require, a steady, skilfully prepared and medicinally effective remedy.

For testimonials, real genuine ones, see circulars around each bottle and Dr. Keeler's Almanac. It is in quantity, to say nothing of quality, the cheapest remedy extant. Price 50 cents per bottle.

Dr. Keeler's Rheumatic Lotion

Is, without doubt, the most salutary and powerful excitant, sedative, rebefacient remedy yet discovered, and will be found an invaluable remedy for rheumatism, stiffness of joints, bruises, pains of the head, chest, back, and extremities.

This valuable medicine combines the most powerful Pain Killing remedies known. It is not greasy, and does not stain, is a liquid, volatile, penetrating soothing and healing, producing an action in the absorbant vessels, and promotes healthy secretions, consequently it reduces swellings in a short time. It combines more virtues than any similar remedy before the public, and will cure more complaints in a shorter time than any other article coming from Jew or Gentile.

Try it, ye afflicted, and throw away your crutches. It is guaranteed to relieve or the money will be refunded. Price only 25 cents per bottle.

Dr. Keeler's Liver and Sanative Pills

Are gradually supplanting all others in the estimation of the public. They are the best tonic purgative known, and always remove constipation, indigestion, jaundice, liver complaints, foul stomachs, headaches, billiousness, piles, and for all disorders where a tonic laxative purgative is required to change diseased action.

Females, students, professional men, and all others who lead a sedentary life, who are troubled with constipation or indigestion from inactivity, will find these pills the most effectual and pleasant of any yet discovered. Their action is spent in part upon the liver, moving more actively that sluggish organ, adapting its secretions to more healthy purposes, and carrying away morbid humors. They give tone to the stomach, strengthen instead of weakening, occasion no pain in their action, and by their sanative influence on the Liver and secretions leave the bowels relaxed long after their effects have passed away. Forty pills in a box and as a general rule two pills a dose. Made from vegetable extracts prepared in vacuo. There is no mineral ingredient in their composition.

Country merchants and traders will find these pills not only to give general satisfaction, but saleable throughout all sections of the country. Retail price 25 cents per box.

Dr. Keeler's Cordial Carminitive.

The Ne Plus Ultra of medical discoveries and the most certain and speedy remedy for diarrœa, dysentery, cholera morbus, cholera Infantum, cholic, griping pains, flatulency and for derangements of the stomach and bowels arising from teething, food, cold, etc.

Words and language fail in promulgating the blessing which this remedy affords, and thousands of hearts and homes have been made glad, and to rejoice too, that a remedy has been found so speedy and powerful in removing disease. It brings health and drives disease away; is more precious to mothers than gold or diamonds.

☞ Only 25 cents per bottle, sufficient to cure 9 out of 10 cases, and it is guaranteed to cure 99 in every 100 cases. Think of this, mothers, fathers and friends.

☞ Ship owners, captains of vessels, planters, farmers, &c., will be supplied with it, and nothing asked for it if it fails to give satisfaction in every case. Will you take it on these terms, and save the lives of those you control?
