Circulate the Documents.

and News in general from all quarters of the globe, may be expected to render the Newspapers unusually interesting for son e months to come. Every man worthy the name of an American citizen ought to make himself acquainted with the political questions of the day, that he may be prepared to act intelligently in helping to shape the future destinies of his country. To bring these questions before our readers, and to advocate the RIGHT on every question that arises, will be the endcavor of the Editors of the Register. The great battle between Freedom and Slavery presents a question paramount to all others at this time, and here we take our position in decided opposition to all the wicked schemes of the Slavery extensionists. The Register will be furnished for six months from
