THE CHRISTIAN CITIZEN.

BY PROF. ALBION W. POTTER.—DEFINITION OF CITIZENSHIP—POLITICAL DUTY—THE PROBLEM OF SELF-GOVERNMENT—HOW TO BEAT ROSS—NO CITY FOR THOSE WHO ARE RULED BY ROSS—POLITICS IN THE SOUTH—PARTISAN NECESSITY—GOOD MEN MUST RULE THE PARTIES.

A lecture delivered in the Amphitheatre at Chautauque, August 11, 1881. Words are such stubborn things that one can never be entirely certain that these whom he addresses will apprehend them in the same sense that he intends them to be received.

The term "citizen" as it will be used by me to-day, is purely an American word. It may seem a strange declaration to make that a term which is as old as the hills, Roman in its origin, should have been so recently introduced into our American civilization.

There is at this present time a vast deal of surplus Carlyleism floating around the world—and by the way, let me tell you a story about Carlyle. About thirty years ago, an apparently good man, a day laborer, was talking with me about him, and said, 'Carlyle is gone, then? What do you think they will do with him in the next world?'

The problem of self-government, as I have before intimated, is a new one. It came to our American people along with a new continent that was rich and boundless and free—a continent that asked for the touch of the hoe, and gave for the rippling of its soil golden measures at harvest time.

It is not an infrequent thing to find a man of exalted piety who takes the position of a martyr, and who is ready to die for his faith. It is a good man who has a good man's heart, and who is ready to die for his faith.

But, granting all that the most legions complain could wish, or as Byron says, that everybody and everything in politics is as bad as the Devil could wish, whose fault is it?

Another thing, you cannot cure a political evil by banding faith with it. You might just as well undertake to batter down Gibraltar with green peas. I have sometimes thought that the Christian citizens of the United States read John Billings.

It is not a matter of course that the man who is a good man, and who is ready to die for his faith, is a good man, and who is ready to die for his faith.

'Well, what will you have us do? Do you mean to say, 'comes the inquiry, 'that it is my duty to leave my farm and my store, and my oxen, and my newly married wife, and go out and take part in every political campaign?'
