I was one day reading the advertisement of Kendal's Spavin Cure in the Chicago Express, I determined at once to try it, and got our druggists here to send for it, they ordered three bottles: I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame, and the lumps have disappeared. The cure was so remarkable that I let two of my neighbors have the remaining two bottles, who are now using it.
