BROWN'S IRON BITTERS
is one of the very few tonic medicines that are not composed mostly of alcohol or whiskey...

BROWN'S IRON BITTERS
is guaranteed to be a non-intoxicating stimulant, and it will, in nearly every case, take the place of all liquor...

BROWN'S IRON BITTERS
has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to give a speedy and permanent relief.

Rev. G. W. RICE, editor of the American Christian Review, says of Brown's Iron Bitters:

Cin. O., Nov. 16, 1851.
Gentlemen: The foolish wastefulness of our business, pleasure, and the foolish indulgence of our people, makes your preparation a necessity; and it is applied, will save hundreds who resort to saloons for temporary recreation.

BROWN'S IRON BITTERS
has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to give a speedy and permanent relief.
