Whether the above is intended as sarcasm or as a joke, an anxious world will perhaps never know unless a map is to be issued.

An exchange says harness should never be kept in a stable where manure is constantly being dropped in quantities of ammonia. This ammonia is rapidly absorbed by the leather, and the effect upon the harness is about the same as would result from saturating it with strong lye. In a word, ammonia rots leather, and hence keeping harness in the stable is sure to result in its being damaged or lost.

Lehigh Valley train three, when near Wyalusing about 6 o'clock Monday morning, had to be stopped in consequence of a loose wheel under the third coach. The wheel jumped the rail and bumped along over the ties some sixty rods, but the brakeman signaled the train and it was stopped before any other damage was wrought. The contest for postmaster in Towanda is causing more excitement and keeping up more strife and bitterness than a dozen Presidential elections. The Republican and Independent papers of that ancient town are all interested in advancing their particular friends interests, and are not careful how they talk about others occupying opposite positions.—Wyalusing Banner.

This is news indeed to the newspapers of our "ancient town."

To prevent injurious effects from smoking a pipe a medical journal recommends the following: Fill the bowl of the pipe one-third full of table salt and press the tobacco hard upon it. The result will be satisfactory. During the process of smoking the salt will gradually melt, and when the hard lump is removed at the end of a day's smoking it is found to have absorbed so much of the oil of tobacco as to be deep colored. The salt should be renewed daily.

The First National Bank of Towanda, has just issued and sent to their depositors a beautiful illustrated annual containing a report of the Bank which is a credit to that institution. Writes the Athens correspondent of the Waverly Tribune: "The viewers appointed to examine and report to court regarding the necessity for building a new, Chequamegon new 'Zee's,' will report in favor of a new bridge upon the site of the old one. Mr. Hirsch was very anxious to have the location changed to a site near his farm, much further up the river. Bradford county will not build a bridge so near the Waverly, for her accommodations, and the shares in the expense of maintaining it."

A gentleman in a neighboring town says the Wellboro Gazette, had several horses die from the effects of nail-worms, when one day an old German horse doctor advised him to use turpentine, the application to be applied as soon as the nail is withdrawn. This has done for the horse. The wound heals, and has never lost a horse so treated. Arctica, he states, is also good. The wound heals in a day or two after the application, when lard or tar can be used to good purpose. The remedy is simple and worth trying.

By a very recent decision of the Postmaster General only first-class mail matter—letters and postal cards—be "forwarded" free of postage in the mails, from any other post-office, upon request of the parties to whom such matter is addressed. It has been the custom heretofore of the Post-Office Department to allow second, third and fourth-class mail matter also to be "forwarded" free, but now it can only be done by again preparing the original amount of postage, which postage must be paid as often as the matter is desired to be forwarded by the parties to whom it is addressed.
