WASHING MACHINE BY RILEY SMITH

Patented Sept. 9, 1856.

THE WASHBOARD AND BEATER are the two first and most natural implements ever used in Washing Clothes. Notwithstanding it has been the study of inventors to do them away, and for that purpose several hundred patents have been issued, yet it has been of no effect. They have failed in their attempt. Their machines have been condemned and thrown away, and the Wash Board and Beater again used in their stead. This machine combines them together, attached to a progressive lever in such a manner as gives great power to the Beater, while either may be used as the operator may desire. The motion of the Beater is quick and easy, the pressure gentle and powerful, which gives it the advantage over all other machines, and is so decided by competent judges. Manufactured and sold at Mechanicsburg, by A. WOLTERS, Mechanicsburg, March 18, 1858.

DR. HUNTER'S MEDICAL MANUAL,

Being an original and popular Treatise on MAN AND WOMAN: Their Physiology, Functions and Sexual Disorders of every kind, with never-failing remedies for the speedy cure of diseases of a private and delicate character, incident to the violation of the Laws of Nature and of Nature's God.

PRICE TWENTY-FIVE CENTS.

The author of the above volume is a graduate, and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as a specialty; he has become possessed of most valuable information in regard to the same, and is able to compress into vade mecum compass the very quintessence of medical science on this important subject; and as the result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the city of Philadelphia along.

Testimony of the Prof. of Obstetrics in Penna. College, Phila.

"Dr. HUNTER'S MEDICAL MANUAL." The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats, is a graduate of one of the best colleges in the United States. It affords me pleasure to recommend him to the unfortunate; or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.

JOS. S. LONGSHORE, M. D. From A. Woodward, M. D., of Penn. University, Phila.

It gives me pleasure to add my testimony to the professional ability of the Author of the "Medical Manual." Numerous cases of diseases of the Genital Organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by Self-abuse, or Excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victims of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.

ALFRED WOODWARD, M. D. One copy securely enveloped, will be forwarded free of postage to any part of the United States for 25 cents, or 5 copies for \$1. Address, post paid, CRODEN & Co., Publishers, box 27, Philadelphia.

Book-sellers, Canvasers and Book Agents supplied on the most liberal terms.

JEFFREY'S DOUBLE-ACTING SUCTION & FORCE PUMP

WITH India Rubber Ball Valves.

THE SUBSCRIBER having purchased the right to make and sell this New Pump, feels a confidence that his efforts to bring it into general use, in this country, will be seconded by all who see its construction and operation.

Among the many advantages secured by the use of this Pump; the following may be enumerated:

1. A double action, by which twice the water can be raised at the same time.

2. Great ease in working, thus adapting the Force Principle to common wells.

3. The transformation, in a moment, of the Pump into an efficient FIRE ENGINE; thus rendering the loss of dwellings by fire, totally unnecessary.

4. Capability of watering gardens, Lawns, or sprinkling walks, washing windows, &c., with the utmost ease and thoroughness.

5. Power to raise water with slight labor to any reasonable height, as in supplying chambers, &c.

6. The convenience of having the Pump in a kitchen, or other rooms of your dwelling, without regard to the location of the Well or Cistern.

7. The easy protection of the instrument against Frost.

8. The ease with which it may be mounted on wheels, or in other ways be made portable.

9. A simplicity which ensures great durability, protects it from being thrown out of order, and makes any repairs easy and of little cost.

10. Great Cheapness: for the first time bringing the cost of the Force Pump into the neighborhood of the common Suction and Chain Pumps, while it is immeasurably superior to both.

Manufactured and for sale by the subscriber, only, at his shop in Mechanicsburg.

A. WOLTERS, Mechanicsburg, March 18, 1859.

LATE AND IMPORTANT FROM THE BLOODY FIELDS OF KANSAS!

Once more on the lightning track of the far-reaching wires, comes the glad tidings of peace and contentment, instead of the shrill scream of the death dealing marauder, or the chilling tale of the midnight assassin; who has been burning his hands in the blood of the young, the beautiful, and the innocent. Now, instead of the wild cries of despair which but lately echoed from every hill and valley of our wide-spread land, our ears are filled with the glad shouts of old men and maidens, young men and matrons that are continually

DR. COGGSWELL'S NEW MEDICAL SALT FOR INFLAMMATORY DISEASES ONLY.

New Medical Salt! New Medical Salt! IT IS NOT A CURE ALL! For Inflammatory Diseases Only.

DR. COGGSWELL'S NEW MEDICAL SALT

instead of being a remedy for all ills, has control over but one ill, has but one aim and accomplishes but one thing, to wit: SUPPRESS INFLAMMATORY DISEASES, whatever be its form or locality, whether in the head, throat, abdomen, extremities or skin.

NEW MEDICAL SALT. Its peculiar excellence is, that without the useless loss of blood and strength, it effectually cures Inflammatory Diseases, (no others) by producing an equilibrium of all the fluids in the body, the want of which is the sole cause of inflammation!

NOTICE TO INVALIDS!! The following form which the unbalanced fluids assume, and many not here mentioned, that have more or less fever or pain, are as easily subdued by the New Medical Salt, as fire is extinguished by water, to wit: Head Fever, Headache, Rush of Blood to the Head and Heart, Fits, Inflamed eyes, ears, nose, lungs and liver, Neuralgia, Spinal affections, Rhyssulas, Bronchitis, Pleurisy, Asthma, Coughs, Dyspepsia, Venereal Diseases, Rheumatism, Gout, Scrofula, and all itching and other cutaneous eruptions, Colds, and Female Diseases.

Dr. Cogswell's New Medical Salt does just what it claims to do—no more, no less—equalizes the fluids by removing from the system all arterial and venous obstructions. Descriptive Circulars may be obtained from any Druggist who has this valuable medicine for sale.

Get a Circular. Ask any Druggist about the NEW MEDICAL SALT. Ask your neighbors about the NEW MEDICAL SALT. If sick, (try) if not sick, remember the NEW MEDICAL SALT.

Dr. Cogswell's Antiphlogistic Salt. ACUTE PACKAGES, \$1; Chronic do, \$2 50. Sent by mail, free of expense, on receipt of price. Invalids with chronic or long standing diseases, should always order a chronic package. D. C. TAYLOR & CO., General Agents, 202, Dock St., Phila.

DR. COGGSWELL'S NEW MEDICAL SALT is for sale in Smethport by J. C. HAMLIN & Co., and by all enterprising Druggists wherever the Democrat is read. As it is not a patent medicine, but the prescription of an eminent Physician, no one should fail to try the New Medical Salt.

For testimonials and directions see Circular.

FIFTY DOLLARS FOREFEIT.

DR. HUNTER WILL FOREFEIT \$50 IF failing to cure any case of secret disease that may come under his care, no matter how long standing or afflicting. Either sex are invited to his Private Rooms, 44 North SEVENTH St., Philadelphia, without fear of interruption from other patients. Strangers and others who have been unfortunate in the selection of a Physician are invited to call.

IMPOTENCY.—Through unrestrained indulgence of the passions, by excess or self abuse, the evils are numerous. Premature impotency, involuntary seminal discharges, wasting of the organs, loss of memory, a distaste for female society, general debility, or constitutional derangement, are sure to follow. If necessary, consult the Doctor with confidence; he offers a perfect cure.

READ AND REFLECT.—The afflicted would do well to reflect before trusting their health and happiness, to any man, except a Physician, in the hands of physicians ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to. Every respectable physician has his peculiar branch, in which he is more successful than his brother professional, and to that he devotes most of his time and study.

YEARS OF PRACTICE, exclusively devoted to the study and treatment of diseases of the sexual organs, together with ulcers upon the body, throat, nose, or legs, pains in the head, or bones, mercurial rheumatism, strictures, gravel, irregularities, diseases arising from youthful excesses, or impurities of the blood, whereby the constitution has become enfeebled, enables the Doctor to offer speedy relief to all who may place themselves under his care.

Medicine forwarded to any part of the United States.—Price Ten Dollars per Package. For sale, DR. DICKINSON'S CELEBRATED MAGNETO-ELECTRIC MACHINE.—No acid or other ingredient required; its power being obtained from a permanent magnet. No family should be without one. Price only \$10.
