

From the New York Courier and Enquirer.  
Garibaldi's Success and History.  
The chief feature of the news by the Argo is the success of Garibaldi, on his expedition with his volunteer corps across the right wing of the Austrians in upper Lombardy. Our last advice left him entering Varese, thirteen miles west of Como, with six thousand men. By the news of the Argo we learn that he has pushed on, and after a furious fight with the Austrians, has entered Como amidst ball-firing, illuminations, and general rejoicings. All the steamers on the Lake of Como are in his possession. At the latest advice he had fought at Camerlata another battle with the Austrians, in which the latter gave way, and retreated towards Milan, pursued by their victors. These details, merged as they are, show that Garibaldi has achieved a brilliant success, and overwhelmed the Austrians with a defeat not less signal than that which they have sustained at Montebello. All that relates to this Italian Patriot will now be of new interest, we take from his autobiography, translated by a friend of his in this city, but not yet published, a few particulars of his eventful and stirring life.

**DR. HUNTER'S MEDICAL MANUAL,**  
Being an original and popular Treatise on  
**SIAN AND WOMAN;**  
Their Physiology, Functions and Sexual Disorders of every kind, with never-failing remedies for the speedy cure of diseases of a private and delicate character, incident to the violation of the Laws of Nature and of Nature's God.  
**PRICE TWENTY-FIVE CENTS.**  
The author of the above volume is a graduate, and having devoted a considerable portion of his early life to the study and treatment of Syphilis and kindred disorders as a specialty, he has become possessed of most invaluable information in regard to the same, and is able to compress into vade mecum compass the very quintessence of medical science on this important subject; and as the result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the city of Philadelphia alone.  
**Testimony of the Prof. of Obstetrics in Penna. College, Phila.**  
"Dr. HUNTER'S MEDICAL MANUAL." The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats, is a graduate of one of the best colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victims of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.  
**JOS. S. LONGSHORE, M. D.,** of Penn. University, Phila.  
It gives me pleasure to add my testimony to the professional ability of the Author of the "Medical Manual." Numerous cases of diseases of the Genital Organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by Self-abuse, or Excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victims of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.  
**ALRED WOODWARD, M. D.**  
One copy securely enveloped, will be forwarded free of postage to any part of the United States for 25 cents, or 6 copies for \$1. Address, post paid, **COSDEN & Co., Publishers,** box 157, Philadelphia.

**JEFFREY'S DOUBLE-ACTING SUCTION & FORCE PUMP**  
WITH  
**India Rubber Ball Valves.**  
**THE SUBSCRIBER** having purchased the right to make and sell this New Pump, into general use, in this County, will be seconded by all who see its construction and operation.  
Among the many advantages secured by the use of this Pump, the following may be enumerated:  
1. A double action; by which twice the water can be raised at the same time.  
2. Great ease in working, thus adapting the Force Principle to common wells.  
3. The transformation, in a moment, of the Pump into an efficient FIRE ENGINE, thus rendering the loss of dwellings by fire, totally unnecessary.  
4. Capability of watering gardens, Lawns, or sprinkling walks, washing windows, &c., with the utmost ease and thoroughness.  
5. Power to raise water with slight labor to any reasonable height, as in supplying chambers &c.  
6. The convenience of having the Pump in a kitchen, or other rooms of your dwelling, without regard to the location of the Well or Cistern.  
7. The easy protection of the instrument against Frost.  
8. The ease with which it may be mounted on wheels, or in other ways be made portable.  
9. A simplicity which ensures great durability, protects it from being thrown out of order, and makes any repairs easy and of little cost.  
10. Great Cheapness; for the first time bringing the cost of the Force Pump into the neighborhood of the common Suction and Chain Pumps, while it is immeasurably superior to both.  
Manufactured and for sale by the subscriber, only, at his shop in Mechanicsburg.

**DR. COGGSWELL'S NEW MEDICAL SALT,**  
FOR INFLAMMATORY DISEASES ONLY.  
New Medical Salt! New Medical Salt!  
**IT IS NOT A CURE ALL!**  
For Inflammatory Diseases Only.  
**DR. COGGSWELL'S NEW MEDICAL SALT,** instead of being a remedy for all ills, has control over but one ill, has but one aim and accomplishes but one thing, to wit: SUPPRES INFLAMMATORY DISEASE, whatever be its form or locality, whether in the head, throat, abdomen, extremities or skin.  
**NEW MEDICAL SALT.** Its peculiar excellence is, that without the useless loss of blood and strength, it effectually cures Inflammatory Diseases, (no others) by producing an equilibrium of all the fluids in the body, the want of which is the sole cause of inflammation.  
**NOTICE TO INVALIDS!!** The following form which the unbalanced fluids assume, and many not here mentioned, that have more or less fever or pain, are as easily subdued by the **New Medical Salt**, as fire is extinguished by water, to wit: Brain Fever, Headache, Rush of Blood to the Head and Heart, Fits, Inflamed eyes, ears, nose, lungs and liver; Neuralgia; Spinal affections, Erysipelas, Bronchitis, Pleurisy, Asthma, Coughs, Dyspepsia, Venereal Diseases, Rheumatism, Gout, Scrofula, and all itching and other cutaneous eruptions, Colds, and Female Diseases.  
**DR. Coggswell's New Medical Salt** exerts, like the vaccine matter, an extraordinary influence over the veins and arteries, resulting in a gradual decline of inflammation as indicated by the pulse, which soon resumes its natural state, as the heat, pain and fever disappear.  
**DR. Coggswell's New Medical Salt** does just what it claims to do—no more, no less—equalizes the fluids by removing from the system all arterial and venous obstructions. Descriptive Circulars may be obtained from any Druggist who has this valuable medicine for sale.  
**DR. Coggswell's New Medical Salt.** Get a Circular. Ask any Druggist about the **NEW MEDICAL SALT.** Ask your neighbors about the **NEW MEDICAL SALT.** If sick, try, if not sick, remember the **NEW MEDICAL SALT.**

**FIFTY DOLLARS FORFEIT.**  
**DR. HUNTER WILL FORFEIT \$50 IF** failing to cure any case of secret disease that may come under his care, no matter how long standing or afflictive. Elisha Hunt Williams, M. D., Philad., without fear of interruption from other patients. Strangers and others who have been unfortunate in the selection of a Physician are invited to call.  
**IMPOTENCY.** Though unrestrained indulgence of the passions, by excess or self abuse, the evils are numerous. Premature impotency, involuntary seminal discharges, wastage of the organs, loss of memory, a distaste for female society, general debility, or constitutional derangement are sure to follow. If necessary, consult the Doctor with confidence; he offers a perfect cure.  
**READ AND REFLECT.** The afflicted would do well to reflect before trusting their health and happiness, and in many cases their lives, in the hands of physicians ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to. Now, instead of the wild cries of despair which but lately echoed from every hill and valley of our wide-spread land, our ears are filled with the glad shouts of old men and maidens, young men and matrons that are continually
