FIFTY DOLLARS FORFEIT.

DR. HUNTER WILL FORFEIT $50 IF failing to cure any case of secret disease that may come under his care, no matter how long standing or afflicting. Either sex are invited to his Private Rooms, 44 North SEVENTH St., Philad'a, without fear of interruption from other patients. Strangers and others who have been unfortunate in the selection of a Physician are invited to call.

IMPOTENCY.—Through unrestrained indulgence of the passions, by excess or self abuse, the evils are numerous. Premature impotency, involuntary seminal discharges, wasting of the organs, loss of memory, a distaste for female society, general debility, or constitutional derangement, are sure to follow. If necessary, consult the Doctor with confidence; he offers a perfect cure.

READ AND REFLECT.—The afflicted would do well to reflect before trusting their health and happiness, and in many cases their lives, in the hands of physicians ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to. Every respectable physician has his peculiar branch, in which he is more successful than his brother professors, and to that he devotes most of his time and study.

YEARS OF PRACTICE, exclusively devoted to the study and treatment of diseases of the sexual organs, together with ulcers upon the body, throat, nose, or legs, pains in the head, or bones, mercurial rheumatism, strictures, gravel, irregularities, diseases arising from youthful excesses, or impurities of the blood, whereby the constitution has become enfeebled, enables the Doctor to offer speedy relief to all who may place themselves under his care.

☞ Medicine forwarded to any part of the United States,—Price Ten Dollars per Package

For sale, DR. DICKINSON'S CELEBRATED MAGNETO-ELECTRIC MACHINE.—No acid or other ingredient required; its power being obtained from a permanent magnet. No family should be without one. Price only $10.

DR. HUNTER'S

MEDICAL MANUAL,

Being an original and popular Treatise on

MAN AND WOMAN;

Their Physiology, Functions and Sexual Disorders of every kind, with never-failing remedies for the speedy cure of diseases of a private and delicate character, incident to the violation of the Laws of Nature and of Nature's God.

PRICE TWENTY-FIVE CENTS.

The author of the above volume is a graduate, and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as a speciality, he has become possessed of most invaluable information in regard to the same, and is able to compress into vade mecum compass the very quintessence of medical science on this important subject; and as the result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the city of Philadelphia alone.

Testimony of the Prof. of Obstetrics in Penna. College, Phila.

"DR. HUNTER'S MEDICAL MANUAL." The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats, is a *graduate* of one of the best colleges in the United States. It affords me pleasure to recommend him to the *unfortunate*, or to the *victim of malpractice*, as a *successful and experienced* practitioner, in whose honor and integrity they may place the greatest confidence. JOS. S. LONGSHORE, M. D.

From A. Woodward, M. D., of Penn. University, Phila.

It gives me pleasure to add my testimony to the professional ability of the Author of the "*Medical Manual*". Numerous cases of diseases of the Genital Organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by *Self-abuse*, or *Excess* of venery, I do not know his *superior* in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victims of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.

ALFRED WOODWARD, M. D.

DR. COGGSWELL'S NEW MEDICAL SALT.

FOR INFLAMMATORY DISEASES ONLY.

New Medical Salt! New Medical Salt!

IT IS NOT A CURE ALL!

☞ For Inflammatory Diseases Only.

DR. COGGSWELL'S NEW MEDICAL SALT, instead of being a remedy for all ills, has control over but one ill, has but one aim and accomplishes but one thing, to wit: SUBDUES INFLAMMATORY DISEASE, whatever be its form or locality, whether in the head, throat, abdomen, extremities or skin.

NEW MEDICAL SALT. Its peculiar excellence is, that without the useless loss of blood and strength, it effectually cures *Inflammatory Diseases*, (no others) by producing an equilibrium of all the fluids in the body, the want of which is the sole CAUSE of inflamation!

NOTICE TO INVALIDS!! The following form which the unbalanced fluids assume, and many not here mentioned, that have more or less fever or pain, are as easily subdued by the New Medical Salt, as fire is extinguished by water, to wit: Brain Fever, Headache, Rush of Blood to the Head and Heart, Fits, Inflamed eyes, ears, nose, lungs and liver, Neuralgia, Spinal affections, Erysipelas, Bronchitis, Pleurisy, Asthma, Coughs, Dyspepsia, Venereal Diseases, Rheumatism, Gout, Scroffula, and all itching and other cutaneous eruptions, Colds, and Female Diseases.

DR. Coggswell's New Medical Salt exerts, like the vacine matter, an extraordinary influence over the veins and arteries, resulting in a gradual decline of inflammation as indicated by the pulse, which soon resumes its natural state, as the heat, pain and fever disapear.

DR. Coggswell's New Medical Salt does just what it claims to do—no more, no less—equalizes the fluids by removing from the system all arterial and venous obstructions. *Descriptive Circullars* may be obtained from any Druggist who has this valuable medicine for sale.

DR. Coggswell's New Medical Salt Get a Circular. Ask any Druggist about the NEW MEDICAL SALT. Ask your neighbors about the NEW MEDICAL SALT. If sick, *try*; if not sick, *remember* the NEW MEDICAL SALT.

Dr. Coggswell's Antiphlogistic Salt.

ACUTE PACKAGES, $1; CHRONIC do, $2 50.

Sent by mail, *free of expense*, on receipt of price

Invalids with chronic or long standing diseases, should ALWAYS order a chronic package.

General Agents, 202, *Dock St. Phila.*

DR. COGGSWELL'S NEW MEDICAL SALT is for sale in Smethport by J.C. HAMLIN & Co., and by all enterprising Druggists wherever the Democrat is read. As it is not a patent medicine, but the prescription of an eminent Physician, no one should fail to try the New Medical Salt.

NEW AGRICULTURAL SETTLEMENT.

TO ALL WANTING FARMS,

A RARE OPPORTUNITY IN A DELIGHTFUL AND HEALTHY CLIMATE 25 MILES SOUTHEAST OF PHILADELPHIA, ON THE CAMDEN AND ATLANTIC RAILROAD NEW JERSEY.

An old estate consisting of several thousands of acres of *productive soil* has been divided into Farms of various sizes to *suit the* purchasers. A population of some *Fifteen hundred*, from various parts of the middle States and New England have settled there the past year, improved their places, *and raised excellent crops.* The price of the land is at the low sum of from $15 to $20 per acre, the soil is of the best quality for the production of *Wheat, Clover, Corn, Peaches, Grapes and Vegetables.* IT IS CONSIDERED THE BEST FRUIT SOIL IN THE UNION. The place is perfectly secure from frosts—the destructive enemy of the farmer. Crops of grain, grass and fruit are now growing and can be seen. By examining the place itself, a correct judgment can be formed of the productiveness of the land. The terms are made easy to secure the rapid improvement of the land, which is only sold for *actual improvement.* The result has been that within the past year, some *three hundred houses* have been erected, two mills, one steam, four stores, some forty vineyards and Peach orchards planted, and a large number of other improvements, making it a desirable and active place of business.

THE MARKET,

as the reader may perceive from its location, is

THE BEST IN THE UNION.

Produce bringing double the price than in locations away from the city, and more than double the price at the West. It is known that the earliest and best fruits and vegetables in this latitude come from New Jersey, and are annually exported to the extent of Millions.

In locating here, the settler has many advantages. He is in a few hours' ride of the great cities of New England and Middle States, he is near his old friends and associations, he is in a *settled country where every improvement of comfort and civilization is at hand.* He can buy every article he wants at the cheapest price, and sell his produce for the highest, (in the West this is reversed,) he has schools for his children, *divine service*, and will enjoy an open winter, and delightful climate, where fevers are utterly unknown. The result of the change upon those from the North, has generally been to restore them to an excellent state of health.

In the way of building and improving, lumber can be obtained at the mills at the rate of $10 to $15 per thousand. Bricks from the brick yard opened in the place, every article can be procured in the place, good carpenters are at hand, and there is no place in the Union where buildings and improvements can be made cheaper.

The reader will at once be struck with the advantages here presented, and ask himself why the property has not been taken up before. The reason is, it was never thrown in the market; and unless these statements were correct, no one would be invited to examine the land before purchasing. This all are expected to do. They will see land under cultivation, such is the extent of the settlement that they will no doubt, meet persons from their own neighborhood; they will witness the improvements and can judge the character of the population. If they come with a view to settle they should come prepared to stay a day or two and be ready to purchase, as locations can not be held on refusal.

There are two daily trains to Philadelphia, and to all settlers who improve, THE RAILROAD COMPANY GIVES A FREE TICKET FOR SIX MONTHS, AND A HALF-PRICE TICKET FOR THREE YEARS.

THE TOWN OF HAMMONTON.

In connection with the agricultural settlement, a new and thriving town has naturally arisen, *which presents inducements for any kind of business, particularly stores and manufactories. The Shoe business* could be carried on in this place and market to good advantage, also cotton business, and manufactories of *agricultural implements* or *Foundries for casting small articles.* The improvement has been so rapid as to insure a constant and permanent increase of business. Town lots of a good size, we do not sell, small ones as it would effect the improvement of the place, can be had at from $100 and upwards.

The *Hammonton Farmer*, a monthly literary and agricultural sheet, containing full information of Hammonton, can be obtained at 25 cents per annum.

Title indisputable—warrantee deeds given, clear of all incumbrance when money is paid. Route to the lands leave Vine street wharf, Philadelphia, for Hammonton by Railroad, at 7½ A. M., or 4½ P. M. Fare 90 cents. When there inquire for Mr. Byrnes. Boarding conveniences on hand. Parties had better stop with Mr. Byrnes, a principal, until they have decided as to purchasing, as he will show them over the land in his carriage, free of expense. Letters and applications can be addressed to Landis & Byrnes, Hammonton P. O., Atlantic Co. New Jersey, or S. B. Coughlin, 202 South Fifth Street, Philadelphia. Maps and information cheerfully furnished.
