Capability of watering gardens, Lawns, or sprinkling walks, washing windows, &c., with the utmost ease and thoroughness. 5. Power to raise water with slight labor to any reasonable height, as in supplying chambers &c. 6. The ease with which it may be mounted on wheels, or in other ways be made portable. 9. A simplicity which ensures great durability, protects it from being thrown out of order, and makes any repairs easy and of little cost. 10.
