

AN INQUIRY ANSWERED.

At the time of writing the displeasure of our friends and friends we have printed his later inquiry to the "verbiage."

Each and all the Southern States would be indispensable. Now, how is this co-operation to be secured? Upon what conditions?

Black Republican Extravagance.—The late Black Republican House of Representatives, with all their protestations against extravagance, ordered a much larger amount of printing—much of it mere abolition trash—than has ever been ordered at any previous session.

TERMINAL TRAGEDY IN NEW YORK.—Two men shot.—A horrible tragedy occurred in New York, on Saturday, June 30. Two men were shot dead in the street, just before 12 o'clock.

What Republican Success Will Lead To.—We have our reasons for believing that the Republican ticket will not succeed, but since we know that there are many men in all parties who at this time think that it will carry, we beg of them to seriously discuss within their own minds the question, what will be the consequence in that event?

Walker. 24 B. Hamlin. 12 S. S. Winchester. 25 Gaylord Church. 13 Joseph Laubach.

DEMOCRATIC COUNTY CONVENTION. The Democratic electors of McKean county are requested to meet at their usual places of holding elections, on Saturday, the 28th day of July, and select two persons, in each township, as delegates to meet in County Convention at the Court House in Smethport, on Monday, (following) the 30th instant, for the purpose of selecting delegates to represent this County in the Congressional and Representative Conventions, and to transact any other business that may come before the Convention.

TOWNSHIP COMMITTEES. The following persons were selected as Township Committees, at our last County Convention, whose duty it is to call the primary meetings, in their several districts, and to see that delegates are duly chosen:

- Ceres—G. B. Gillett and E. J. Barber. Eldred—R. P. Fowler and C. C. Moses. Bradford—J. W. Barr and Samuel Boyer. Corydon—James Ball and E. Sunderland. Hamlin—Orin Perry and Charles Woodruff. Hamilton—James Anderson and M. N. Powell. Keating—William Gifford and Thomas Goodwin. Liberty—George Moore and C. I. Medberry. Lafayette—Jasper Marsh and William Blew. Norwich—Andrew Gallup and Ransom Burdick. Otis—Joseph Ellis and Gideon Ellis. Smethport—S. B. Sartwell and Roman Lutz. Sergeant—Bishop Lucas and T. Fall. Skippin—N. L. Dyke and Seneca Freeman.

PERSONAL.—With this number we cease issuing the Citizen in the Borough of Smethport. It will be published hereafter in Shippen, and the subscribers throughout the county who have paid in advance will be furnished from that point until their subscriptions expire.

PICTURES.—Wm. HASKELL, of the Astor House is now prepared to take likenesses in the best style.

TAILORING.—The inhabitants of this vicinity have long felt the want of a Tailoring establishment at this place. JOHN RAYSTON, recently from New York, has permanently established himself at Smethport, and is prepared to execute all orders entrusted to him in a workmanlike manner, and at satisfactory prices.

VENANGO AND CLARION COUNTIES have instructed their delegates to support PATRICK KEAR for Congress, at the Democratic Congressional Convention.

PRIMARY MEETINGS.—It is hoped the members of the Township Committees will give general notice of the time and place of holding the primary meetings, in their respective townships, and strive to have them well attended, that reliable persons may be selected as delegates. The Democratic nominees are to be elected at the coming election, and it is necessary to make wise selections of those who are to serve us and administer the affairs of the County.

OUR PRESIDENTIAL TICKET.—The Chairman of The State Committee having addressed letters to the several Electors of the State of Pennsylvania, has received replies, from all but two, which pledge the members to carry out, in good faith, the plan adopted at the recent meeting of the Committee. As the action of the National Convention—dividing and placing two candidates in the field—cannot be considered binding on the party; this plan, adopted by the representatives of the party at large, meets the approval of all who have the interests of the party at heart, and who wish to prevent the success of Black Republicanism. The platforms adopted by the two wings of the party are identical. The division was caused by the selfish ambition of men, and not from principle. The masses of the party will not allow scheming disorganizers to jeopardize the country in their unholy lust for power.

So far as the Democracy of McKean county are concerned, every vote will be cast for the Electors chosen at our State Convention, knowing that any other ticket, will either directly or indirectly assist in throwing the vote of Pennsylvania for ADAM LIVINGSTON.

In another column will be found an extract from a Minnesota paper, which gives something of an idea of the rapid growth of Western localities.

A number of individuals have been arrested in Philadelphia, and bound over to answer for fraudulent voting at the election in May. They all voted the "People's Party" ticket, and by their means, Huffy was declared elected Comptroller over Downing, the Democratic nominee. It is supposed that sufficient frauds will be shown to oust Huffy. The opposition presses devote so much space to the Covode investigations, which have proven nothing, that they have no room for these frauds, elicited under oath and in a Court of Justice.

The Republican Convention, for this County, which met on the 13th instant, appointed delegates to attend the Congressional Convention, and instructed to support G. W. SCOTT, of Warren, ex-Representative delegates, instructed for Mr. GONNOR, of Jefferson county, and Mr. LAWRENCE, now of Elk county, as candidates for Assembly.

"CITIZEN OUTH" BY ITS OWN WEIGHT.—The McKean Citizen, which so lately dictated terms to the people of this county, and the rest of mankind, has ended its short but glorious career, and with it also, we trust, ends Republican ascendancy and misrule in our county.

Below will be found the valedictory. It contains some truths, which every newspaper publisher can appreciate, and many absurdities and covert allusions that we may take another occasion to expose.

A New Program for the Mormons is indicated in the Washington dispatches. It is now proposed that they shall emigrate to one of the East India Islands, and reliable information is said to have been received that they will do so. The enterprise is to be carried out under the supervision of Captain Walter M. Gibson, who will be remembered as having been imprisoned for some years by the Dutch authorities of one of the Islands in question, and who has recently identified himself with the Mormon cause—it being at his suggestion that Brigham Young proposed to the Government to take the Mormons to Oceania, if an arrangement could be made by which they could be paid by the Government for their improvements in Utah.

There was an exciting race on the Suffolk Park Course, this afternoon. A two mile trot between Flora Temple and Patchen was decided in favor of Flora. After two heats. The first was won by Patchen, time 4:51. A false start commenced the second heat; the horses continued around the track amid the shouts of the multitude. The second heat was won by Flora in 5:01. Patchen broke several times, but in coming up the home stretch nearly lapped Flora, when some ruffians interfered, and threw elms, bats, &c., at the driver of Patchen. Patchen was withdrawn, having changed owners during the contest. The greatest excitement prevailed among the interested, and much disaffection was expressed at the result. About 3000 persons were present.
