

YOU WANT IT,  
YOUR WIFE WANTS IT,  
YOUR CHILDREN WANT IT,  
IT WILL CERTAINLY PAY,  
AND YOU WOULD HAVE IT

you only knew how USEFUL, how INSTRUCTIVE,  
and how ENTERTAINING it is.

We refer to that "Best Book" that largest, most in-  
structive, most beautiful, and yet cheapest Journal in  
the world for the HOUSEHOLD, for the FARM, and  
for the GARDEN, viz., the

American Agriculturist

YOU WANT IT, because it contains so very many  
new and useful directions, hints, and suggestions about  
all kinds of out-door work, in the GARDEN, in the  
FIELD, in the ORCHARD, on the little plot of ground,  
about Domestic Animals, etc. etc. The Agriculturist  
is a state reliable of theoretical stuff, such as grows the  
rounds from one paper to another, but it is filled with  
useful and new practical information, every word of which  
is reliable, because prepared by honest, practical WORK-  
ING MEN, who know what they write about.

Each volume contains many hundreds of useful hints,  
and it is certain that many of these hints will save  
you more than a dollar. As an example, a subscriber  
writes: "I obtained 5 bushels more per acre  
on a 10-acre field of wheat, for [in all 50 bushels] simply  
from a hint about preparing the seed given in my Agricul-  
turist." Another says he obtained an extra  
yield of 11 bushels of corn per acre on a 15-acre field,  
and with no extra cost for culture, by applying one hint  
from the Agriculturist. Another, (a villager,) says  
he got 1 1/2 worth extra of good garden vegetables, which  
he attributes wholly to the timely hints in the Agricul-  
turist, which told him from time to time what to do,  
how to do it, and when to do it. Thousands of others  
have derived similar advantages. You are invited to  
try the paper a year, at a cost of only \$1. If you desire,  
you can have, free of charge, four or five parcels of  
choice seeds, which the Publisher will distribute among  
his subscribers the present winter.

YOUR WIFE wants the Agriculturist because it  
has a large amount of valuable and useful information  
about all kinds of HOUSEHOLD WORK, from Carpet to  
Cellar. Give her the benefit of this paper for a year—  
You will find your home made better and happier.

YOUR CHILDREN want the Agriculturist, for it  
contains very interesting, useful, and entertaining de-  
partment for Youth and Children, which will be of  
great value to their minds and hearts.

The above are truthful statements, that will be cheer-  
fully attested by nearly a hundred thousand of the present  
readers of the Agriculturist. You are invited to  
try a single volume of the Agriculturist, which will cost  
only \$1, and abundantly pay. Try it for 3-6 (Vol. 21)

JEFFREY'S DOUBLE-ACTING  
SUCTION & FORCE PUMP

India Rubber Ba Vavás.

THE SUBSCRIBER having purchased the  
right to make and sell the New Pump,  
feels a confidence that his efforts to bring it  
into general use, in this county, will be second-  
ed by all who see its construction and opera-  
tion.

Among the many advantages secured by the  
use of this Pump, the following may be enu-  
merated:

1. A double action, by which twice the water  
can be raised at the same time.
2. Great ease in working, thus adapting the  
Force Principle to common wells.
3. The transformation, in a moment, of the  
Pump into an efficient FIRE ENGINE, thus ren-  
dering the loss of dwellings by fire, totally un-  
necessary.
4. Capability of watering gardens, Lawns,  
or sprinkling walks, washing windows, &c.,  
with the utmost ease and thoroughness.
5. Power to raise water with slight labor to  
any reasonable height, as in supplying cham-  
bers &c.
6. The convenience of having the Pump in a  
kitchen, or other rooms of your dwelling, with-  
out regard to the location of the Well or Cistern.
7. The easy protection of the instrument  
against Frost.
8. The ease with which it may be mounted  
on wheels, or in other ways be made portable.
9. A simplicity which ensures great dura-  
bility, protects it from being thrown out of order,  
and makes any repairs easy and of little cost.
10. Great Cheapness: for the first time  
bringing the cost of the Force Pump into the  
neighborhood of the common Suction and  
Chain Pumps, while it is immeasurably super-  
ior to both.

Manufactured and for sale by the subscriber,  
only, at his shop in Mechanicsburg.

UDOLPHO WOLFE'S  
AROMATIC  
SCHNAPPS  
A SUPERLATIVE  
TONIC, DIURETIC,  
ANTI-DYSPEPTIC  
AND  
INVIGORATING CORDIAL

To the Citizens of New Jersey and Penn-  
sylvania, Apothecaries, Druggists, Gro-  
cers and Pure Families.  
Wolfe's Pure Cognac Brandy.  
Wolfe's Pure Jamaica and St. Croix Rum.  
Wolfe's Pure Scotch and Irish Whiskey.

I beg leave to call the attention of citizens of the United  
States to the above Wines and Liquors imported by  
UDOLPHO WOLFE, of New York, whose name is familiar  
in every part of this country for the purity of his SCHNAPPS.  
Mr. Wolfe's letter to me, speaking  
of the purity of his Wines and Liquors, says: "I will  
stake my reputation as a man, my standing as a merchant  
and my residence in the City of New York, that  
all the Brandy and Wines which I bottle are pure and im-  
ported, and of the best quality, and can be relied upon by  
every purchaser. Every bottle has the proprietor's  
name on the wax, and for similar of his signature on the  
certificate. The public are respectfully invited to call  
and examine for themselves, and also to call on the  
Apothecaries and Grocers in Philadelphia, viz.:  
Gibson & Co., No. 22 Market St., Philadelphia.

Read the following from the New York Courier:  
"Wolfe's Brandy for the New York Courier.—We  
are happy to inform our fellow-citizens that there is one  
article of our city who has the reputation of being a  
country merchant, and who imports Wines & Liquors,  
as pure as imported, and of the best quality. We do not  
intend to give an elaborate description of this merchant's  
extensive business, although it will repay any stranger or  
citizen to visit UDOLPHO WOLFE'S extensive warehouse,  
Nos. 17, 20 and 22, Bowler street, and Nos. 17, 19 and 21,  
Market street. His stock of Schenck and other brandy  
for shipment could not have been less than thirty thousand  
gallons. The Brandy alone has been valued at upwards of  
\$200,000, and ten thousand cases of Molasses, Sherry,  
and Port Wine, Scotch and Irish Whiskey, Jamaica  
and St. Croix Rum, some very old and some very  
young, are also on hand. He also has on hand a large  
quantity of the finest Cognac Brandy, and other  
country wines, and a large stock of choice liquors,  
and we have in less than two years he may be  
equally successful with his Brandy and Wines, and  
his business merits the patronage of every lover of the  
species. Private families who wish pure Wines and Li-  
quors for medical use should send their orders direct to  
Mr. Wolfe, until they are supplied. In the land make up  
their minds to discard the poisonous stuff from their  
kitchen, and replace it with Wolfe's pure Wines and Li-  
quors."

We understand Mr. Wolfe, for the accommodation of  
Small Dealers in the country, put up assorted cases of  
Wines and Liquors, such as a case of Cognac Brandy,  
and other articles, in cases of 100 bottles, and such a  
case should be ordered against a list of thousands of  
names in the United States, who will not find but in-  
dubitable reasons to be had for their purchases.
