UDOLPHO WOLFE'S AROMATIC SCHIEDAM SCHNAPPS

A SUPERLATIVE

TONIC, DIURETIC, ANTI DYSPEPTIC AND INVIGORATING CORDIAL

To the Citizens of New Jersey and Pennsylvania, Apothecaries, Druggists, Grocers and Private Families.

Wolfe's Pure Cogniac Brandy.
Wolfe's Pure Maderia, Sherry & Port Wine
Wolfe's Pure Jamaica and St. Croix Rum.
Wolfe's Pure Scotch and Irish Whiskey.

ALL IN BOTTLES.

I beg leave to call the attention of citizens of the United States to the above WINES and LIQUORS imported by UDOLPHO WOLFE, of New York, whose name is familiar in every part of this country for the purity of his SCHIEDAM SCHNAPPS. Mr. WOLFE, in his letter to me, speaking of the purity of his WINES and LIQUORS, says; "I will stake my reputation as a man, my standing as a merchant or thirty years residence in the City of New York, that all the BRANDY and WINES which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at RETAIL by all Apothecaries and Grocers in Philadelphia.

GEORGE H. ABBOTT, No. 232 Market St. Philadelphia.
Sole Agent for Philadelphia.

Read the following from the New York Courier:

ENORMOUS BUSINESS FOR ONE NEW YORK MERCHANT—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase Wines & Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit UDOLPHO WOLFE'S extensive warehouse, Nos. 18, 20 and 22 Beaver street, and Nos 17, 19 and 21 Markfield street. His stock of Schnapps on hand read y for shipment would not have been less than thirty thousand cases, the Brandy some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Madeiras, Sherry and Port Wine, Scotch and Irish Whiskey, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c., in casks under Custom House key ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolfe until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelve, and replace it with WOLFE'S pure WINES and LIQUORS.

We understand Mr. WOLFE, for the accommodation of all dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which foster in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.
