LEIBIG'S ESSENTIAL COFFEE,
The most healthy,
The most economical,
The most delicious,

PREPARATION OF COFFEE
IN THE WORLD,
OLD OR NEW.
This Coffee is prepared under a formula from the great German Chemist
PROFESSOR LEIBIG,
and gives the essential full strength and delicious flavor of OLD GOVERNMENT JAVA COFFEE, which is the only quality of Coffee used in its preparation, without any of that narcotic quality which so sadly damages the nervous system in the use of even the best grades of Coffee as ordinarily prepared.

It gives the essential tonic and strength of the ordinary Dandelion Coffee. It is known to all acquainted with chemistry that the essence, or oil, or whatever name may be given it, when properly and scientifically obtained from any herb or plant, is a far different article from that produced by putting that plant into water and boiling it out—permitting the escape of the most exquisite and reliable strength, and leaving the coarse and earthy drugs precipitated or in solution.

This preparation combines the exquisite aroma of the Java Coffee, with the highest essential excellence of the most choice Dandelion yielding the spirit without the grosser earthy body of both; thereby avoiding the deleterious effects of both and becoming at the same time
THE MOST DELICIOUS BEVERAGE
AND
The most Health-giving and Restoring Drink
Known in the world—being at once a sovereign remedy instead of producer of
DYSPEPSIA AND GENERAL NERVOUS DEBILITY,
FLATULENCE, FULNESS OF THE HEAD,
DIZZINESS, COSTIVENESS, AND
DISEASES OF THE LIVER
AND **KIDNEYS,**
because of its great Tonic and Diuretic qualities.
The simple fact that the preparation is from Baron Leibig will commend it to the attention of the scientific in all parts of the country, while the use of it will at once and permanently prove to the masses everywhere that it is the long needed desideratum in its way.

The immense popularity of this Coffee in the Old World is an earnest that its use and popularity in America is bound to become contentment wide.
Another consideration not to be overlooked in regard to the matter, is that
It Costs Less than ordinary Green Coffee
And requires less than half the quantity to give the same degree of strength, and its use proves that 20 cents a pound is cheaper than Market Coffee at 15 cents a pound.

Neatly packed in pound papers with full instructions for use on each label, in **SIXTY ROUND BOXES**, Price 30 cents per pound. A liberal discount to the trade.

Orange Judd of the American Agriculturist says of the
UNIVERSAL CLOTHES WRINGER.
"A child can readily wring out a tubful of clothes in a few minutes. It is in reality a CLOTHES SAVER! A TIME SAVER! and a STRENGTH SAVER! The saving of garments will alone pay a large per centage on its cost. We think the machine much more than PAYS FOR ITSELF EVERY YEAR in the saving of garments! There are several kinds, nearly alike in general construction, but we consider it important that the wringer be fitted with Coggs, otherwise a mass of garments may clog the rollers, and the rollers upon the crank shaft slip and tear the clothes, or the rubber bands loose from the shaft. Our own is one of the best make, and is as good as new after nearly FOUR YEARS' CONSTANT USE!"
Every Wringer with Cog Wheels is Warranted in every Particular.
NO WRINGER CAN BE DURABLE WITHOUT COG-WHEELS.
A good CANVASSER wanted in every town. On Receipt of the price from places where no one is selling, we will send the Wringer FREE OF EXPENSE.

SHAKE AND BURN! Shake and Burn!
Shake and Burn!
This is the life of agony endured by the sufferer from Fever and Ague. He wanders like an uncertain shadow, never knowing what moment he may be prostrated, and therefore disinclined to give any serious attention to business. This is the condition of thousands in town and country. It is no exaggeration to say that Fever and Ague kills more people than any twenty other diseases in America. For a sure and speedy cure of this terrible affliction, we take great pleasure in recommending HOSSETTER'S STOMACH BITTERS, which have already achieved a wide reputation for rapid and powerful effects in renovating the system prostrated by this disease.

FINKLE & LYON'S SEWING MACHINES.
These Machines make the lock stitch like on both sides, and use less than half the thread and silk that the single or double thread lock stitch Machines do; will Hem, Fell, Gather, Cord, Braid, Bind, &c., and are better adapted than any other Sewing Machines in use to the frequent changes and great variety of sewing required in a family, for they will sew from one to twenty thicknesses of Muslins without stopping, and make every stitch perfect, or from the finest gauze to the heaviest heavy cloth, or even the stoutest harness leather, without changing the feed, needle, or tension, or making any adjustment of Machine whatever!
They are simple in construction, and easily understood; and if any part is broken by accident, it is readily replaced.
These are peculiar facts, and will go further to determine the choice of any intelligent buyer.

HOSTETTER'S CELEBRATED STOMACH BITTERS.
A Pure and powerful Tonic; corrective and alternative of wonderful efficacy in disease of the Stomach, LIVER AND BOWELS.
Cures: Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bilious Weakness whether inherent in the system or produced by special dieting that is not wholesome, and all other ailments that nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical elements, no mercury, but it is a combination of the extracts of rare balsamic herbs and plants with the purest and most of all diffusive stimulants.
It is well to be forewarned against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.
In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack escape the scourge, and thousands who neglect to evaluate themselves of its protective qualities in advance, are cured by a very brief course of their marvellous medicine. Fever and Ague patients, after being "phoned with quinine" for months, in vain, until fairly saturated with that dangerous alkaloid, are not infrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.
The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation stipulated by irregular action of the digestive and secretive organs.
Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languor, find prompt and permanent relief from Bitters. The testimony on this point is most conclusive, and from long experience.
The agony of Bilious Colic is immediately assuaged by a single dose of the Stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.
As a General Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Eruptive disease arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to reinforce and re-establish them.
Last but not least, it is THE ONLY SAFE Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.
No family medicine has been so universally adopted, and it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.

And melancholy deaths by Consumption bear ample witness to the Truth of the assertion.
The Constitution once affected with Organic Weakness requires the aid of Medicine to strengthen and fortify the System, which HELMHOLD'S EXTRACT RUCHU invariably does.
A trial will convince the most skeptical.
FEMALES—FEMALES—FEMALES.
In many Affections peculiar to females, the Extract Ruchu is of equal value to any other remedy, as in Chlorosis, or Retention, Irregularity, Painfulness, or Suppression of Customary Menstruation. Depleted or Scarcely started of the Uterus, Leucorrhoea, Whites, Stricture, and all other complaints, whether or not arising from infirmity of Habit, or Disposition, or of either Sex, arising from Bilious Weakness whether inherent in the system or produced by special dieting that is not wholesome, and all other ailments that nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical elements, no mercury, but it is a combination of the extracts of rare balsamic herbs and plants with the purest and most of all diffusive stimulants.
It is well to be forewarned against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.
In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack escape the scourge, and thousands who neglect to evaluate themselves of its protective qualities in advance, are cured by a very brief course of their marvellous medicine. Fever and Ague patients, after being "phoned with quinine" for months, in vain, until fairly saturated with that dangerous alkaloid, are not infrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.
The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation stipulated by irregular action of the digestive and secretive organs.
Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languor, find prompt and permanent relief from Bitters. The testimony on this point is most conclusive, and from long experience.
The agony of Bilious Colic is immediately assuaged by a single dose of the Stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.
As a General Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Eruptive disease arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to reinforce and re-establish them.
Last but not least, it is THE ONLY SAFE Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.
No family medicine has been so universally adopted, and it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
