widow, have been coined into money. * * * *

This is true. Contractors have carried on this war. They have swindled the Government out of *hundred of millions*. * * * They have piled fortunes on fortunes. *Corruption stinks out in Washington.* Even Senators acknowledge taking tribute of half a hundred thousand, while the leaders who have fastened the spoils are thronging about the door of every Government office, and by threats and bribes compelling the gratification of their wishes.

## LEIBIG'S ESSENTIAL COFFEE,

The most healthy,

The most economical,

The most delicious,

## PREPARATION OF COFFEE

IN THE WORLD,

## OLD OR NEW.

This Coffee is prepared under a formula from the great German Chemist

PROFESSOR LEIBIG,

and gives the essential full strength and delicious flavor of OLD GOVERNMENT JAVA COFFEE, which is the only quality of Coffee used in its preparation, without any of that narcotic quality which so sadly damages the nervous system in the use of even the best grades of Coffee as ordinarily prepared.

It gives the essential tonic and diuretic elements of Dandelion, without the "bitter," coarse taste so disgusting, and yet always found in the ordinary Dandelion Coffee.

It is known to all acquainted with chemistry that the essence, or oil, of whatever name may be given it, when properly and scientifically obtained from any herb or plant, is far above and different from that produced by putting that plant into water and boiling it out—permitting the escape of the most exquisite and vital strength and leaving the coarse and earthy dregs precipitated or in solution.

So this preparation combines the exquisite aroma of the Java Coffee, with the highest essential excellence of the most choice Dandelion—yielding the spirit without the grossness of the body of both; thereby avoiding the delirious effects of both and becoming at the same time

THE MOST DELICIOUS BEVERAGE

AND

The most Health-giving and Restoring Drink

Known in the world—being at once a sovereign remedy instead of producer of

DYSPEPSIA AND GENERAL NERVOUS DEBILITY,

FLATULENCE, FULNESS OF THE HEAD,

DIZZINESS, COSTIVENESS, AND

DISEASES OF THE LIVER

AND KIDNEYS,

because of its great Tonic and Diuretic qualities.

The simple fact that the preparation is from Baron Leibig will commend it to the attention of the scientific in all parts of the country, while the use of it will at once and permanently prove to the masses every where that it is the long needed desideratum—in its way.

The immense popularity of this Coffee in the Old World is an earnest that its use and popularity in America is bound to become commen wide.

Another consideration not to be overlooked in regard to the matter, is that

### It Costs Less than ordinary Green Coffee

And requires less than half the quantity to give the same degree of strength, and its use proves it at 30 cents a pound to be cheaper than Maricaibo coffee at 15 cents a pound.

Neatly packed in pound papers with full instructions for use on each label,—in SIXTY POUND BOXES. Price 30 cents per pound. A liberal discount to the trade.

Manufactured by the PEOPLE'S PROVISION Co., 288 Greenwich St., N. Y., to whom all orders may be addressed.

Sold by wholesale Grocers and Druggists.

It is well known that a Shuttle with a spring centre is preferable to any other—but a great objection against its use, was on account of its spring getting out of order, having then to be put in the the hands of a skilful mechanic to be repaired.

The Empire Shuttle is so simple that any operator can repair it without loss of time or expense.

*No 2 is the size generally used in private families.

Orange Judd of the American Agriculturist says of the

UNIVERSAL CLOTHES WRINGER

"A child can readily wring out a tubfull of clothes in a few minutes. It is in reality a CLOTHES SAVER! A TIME SAVER! and a STRENGTH SAVER! The saving of garments will alone pay a large per centage on its cost. We think the machine much more than PAYS FOR ITSELF EVERY YEAR in the saving of garments! There are several kinds, nearly alike in general construction, but we consider it important that the wringer be fitted with Cogs, otherwise a mass of garments may clog the rollers, and the rollers upon the crank shaft slip and tear the cloths, or the rubber break loose from the shaft. Our own is one of the first make, and is as good as new after nearly FOUR YEARS' CONSTANT USE."

Every Wringer with Cog Wheels is Warranted in every Particular.

NO WRINGER CAN BE DURABDE WITHOUT COG-WHEELS.

A good CANVASSER wanted in every town.

☞ On Receipt of the price from places where no one is selling, we will send the Wringer FREE OF EXPENSE.
